PASSPORT TO PASSION

Taking Learning Beyond the Classroom

We loved surprising four incredible Indian Creek teachers at our Back-to-School Corporation Meeting with Passport to Passion Travel Grants for the 2026-2027 school year!

These grants provide educators with the opportunity to travel, explore new places and cultures, and bring fresh ideas, perspectives, and experiences back to their classrooms. We're excited to support our teachers as they learn beyond the classroom -- and then share those experiences with Indian Creek students.

- Meet this year's recipients and their destinations:
- Kenda Eley -- Boston
 - Ellen Engblom -- Sweden
 - Laura Gunderson -- Spain & England
 - Joe Dunn -- San Francisco Bay Area
- We can't wait to follow their journeys and see how these experiences inspire learning and create new opportunities for students at Indian Creek. Congratulations to all of our Passport to Passion recipients!
