

How to Submit a File Assignment in Canvas

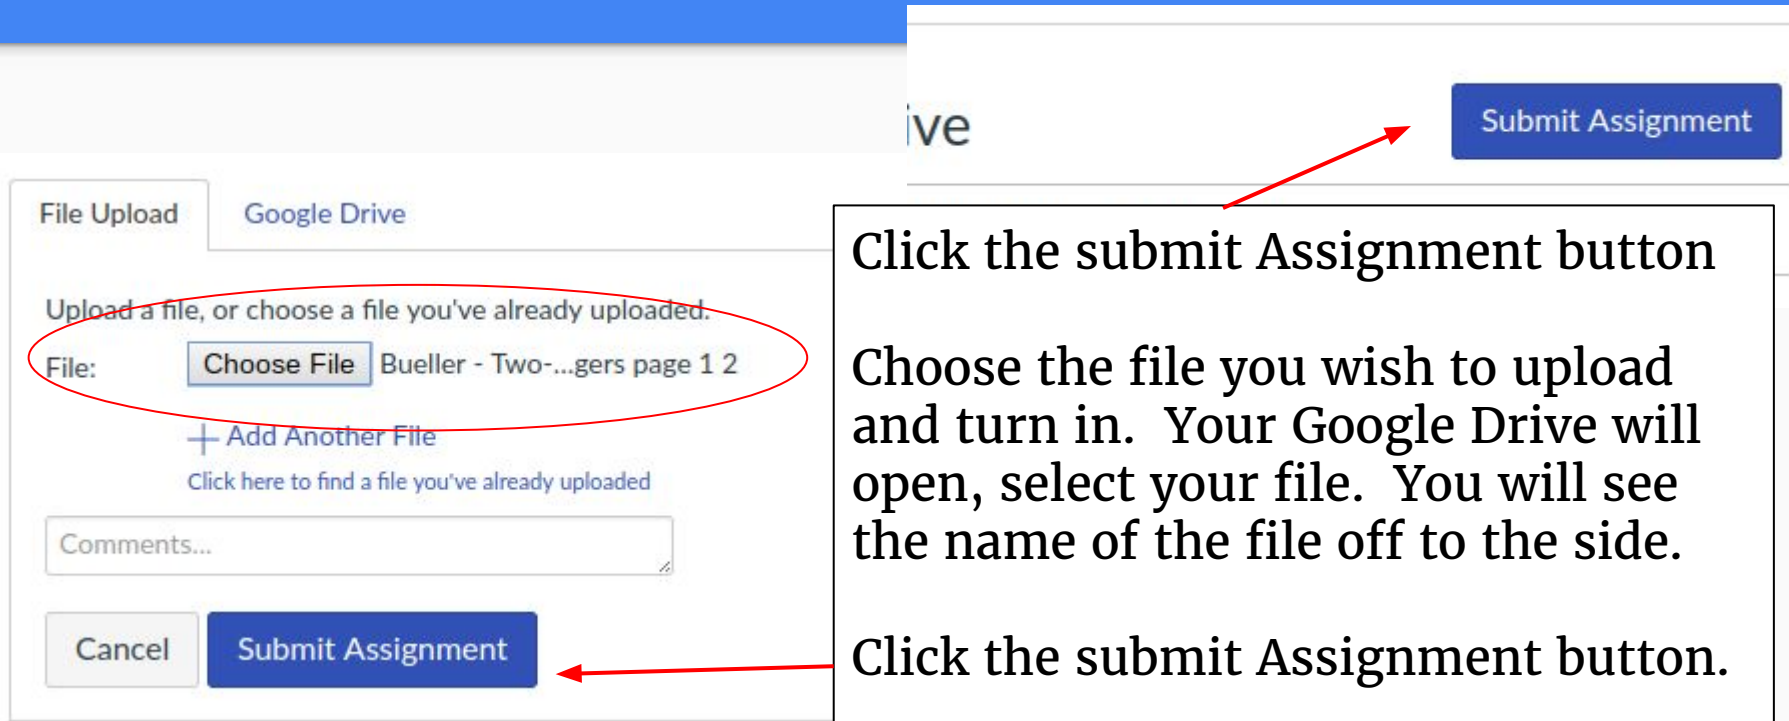

Have the File Ready to Go

Complete the assignment and have your file ready to go from your Google Drive.

If you need to know how to use DocHub, to write on a pdf - [please see that tutorial.](#)

Click the Submit button in the Assignment

The screenshot shows a web interface for submitting an assignment. At the top right, there is a blue button labeled "Submit Assignment". Below this, the interface is divided into two sections. The left section, titled "File Upload", has a sub-tab for "Google Drive". It contains the instruction "Upload a file, or choose a file you've already uploaded." Below this, there is a "File:" label, a "Choose File" button, and the filename "Bueller - Two-...gers page 1 2". A red oval highlights the "Choose File" button and the filename. Below the filename are links for "+ Add Another File" and "Click here to find a file you've already uploaded". At the bottom of this section is a "Comments..." text box. The right section contains a blue "Submit Assignment" button. A red arrow points from the text box to this button. At the bottom left of the interface, there are "Cancel" and "Submit Assignment" buttons. A red arrow points from the text box to the "Submit Assignment" button.

Click the submit Assignment button

Choose the file you wish to upload and turn in. Your Google Drive will open, select your file. You will see the name of the file off to the side.

Click the submit Assignment button.

Check that it says:
