

Indiana Rural Health Association Student Scholarship Recipient Tasks

In order to engage with other conference attendees and network with the professionals, you are required to complete the set of tasks below.

Student Task List

For each day of the conference:

- Meet 2 students (any major) and ask about their experience with rural health.
- Meet 2 exhibitors and ask about their organization's connection to rural health care.
- Meet a non-healthcare provider and a healthcare provider and ask about their experience with rural health.
 - How does it affect their job on a day-to-day basis?
- What was your favorite presentation/experience of the day and why?
- What was your least favorite presentation/experience of the day and why?

One time only:

- Meet a board member of IRHA and ask them how they got involved in the organization.
- Meet a "seasoned practitioner" (Someone who has worked 20+ years in rural health) and ask for their tip for success.
- Meet someone involved with the Indiana opioid crisis and ask what role they play in the crisis.

Following the Annual Conference, you are required to complete an online questionnaire regarding the completion of your tasks. The deadline to complete the online questionnaire is June 30, 2018.

To complete the online questionnaire go to <https://www.surveymonkey.com/r/PQ2W629>
