

Mercer County Sheriff's Office

Thomas L. Thompson
SHERIFF

Jeffrey S. Dale
CHIEF DEPUTY

Paula D. Nelson
ADMINISTRATIVE
ASSISTANT

January 29, 2013

Mr. Robert Pohrer
Pauly Jail Building Company
2600 Nebraska
St. Louis, MO 63118

Robert:

Recently, a 72 bed addition to the Mercer County Jail was completed. It was my distinct privilege and pleasure to work with your firm in bringing that addition to fruition. As Sheriff of Mercer County, I was involved in the project from start to finish, and Pauly Jail Building Company was right there, as well. From the design phase through the final construction, representatives from your firm were always available to answer questions or give advice when needed.

Detention enclosures, detention doors and frames, detention windows, security metal-framed skylights, security ceiling assemblies and detention door hardware are just some of the products and services your company provided. Any questions or concerns regarding those products and services were answered entirely and expeditiously. The quality and craftsmanship of those products and services more than met our expectations.

I would most certainly recommend your firm to any organization that is considering a renovation or new construction project. I thank you and the members of your team at Pauly Jail Building Company for the hard work, thoughtfulness and outstanding customer service you provided to me, my department and the citizens of Mercer County.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas L. Thompson".

Thomas L. Thompson
Mercer County Sheriff
