Letter From DU Leadership

Dear DU Brothers, Parents and Friends:

2024 was a historic year for Delta Upsilon. On Aug. 3, during the Grand Banquet of the Leadership Institute, we officially ended our Ignite The Charge Campaign and announced our final fundraising results. **Thanks to the generous support of our brothers, family members and friends, we raised:**

\$10,391,278

Not only was this effort historic in that it was the largest fundraising campaign in DU history, but it was also historic because our supporters significantly surpassed our \$6 million goal.

\$6 million was a bold goal. How was DU able to exceed that goal by such a large margin? Simply, our supporters are passionate about the DU experience and enhancing it for generations to come. They believe in supporting our brothers as individuals, building stronger chapters, and preparing Delta Upsilon for a future in which fraternities and sororities remain a relevant part of college life. In this annual report, we will thank the more than 2,100 campaign donors and show how the Ignite The Charge Campaign is already making an impact on our undergraduates.

While the fundraising portion of the Ignite The Charge Campaign is now complete, the Campaign is far from over. The resources and momentum we gained must now be put to use. By igniting their passion for the DU experience, our supporters lit a flame that will carry Delta Upsilon forward for many years to come.

Yes, the Ignite The Charge Campaign's three pillars (Individual Development, Chapter Enhancement, and Fraternal Relevance and Innovation) laid a framework for what the Campaign will achieve. But now is the really exciting part: creating and implementing the new programs and initiatives that will bring the Campaign to life. This will take work, collaboration and an inventive spirit. We are up for the challenge because the Ignite The Charge Campaign lit the spark. Together, we ignited a movement powered by our love and pride for Delta Upsilon. We must continue to fan that flame, which will light the way for DU's future.

Thank you for your passion and investment in Delta Upsilon. Through the Ignite The Charge Campaign and our continued fundraising efforts, we will make a lasting impact on the young men of today and tomorrow. We are excited for what the future has in store.

"By igniting their passion for the DU experience, our supporters lit a flame that will carry Delta Upsilon forward for many years to come."

Educational Program Portfolio

Presidents Academy

The Presidents Academy accelerates the growth and learning of DU's undergraduate Chapter Presidents each year. Presidents from each chapter participate in an institute-style program with a curriculum that emphasizes the mission and Principles of DU as a foundation for life and effective chapter leadership. Experienced alumni and campus partners come to Camp Tecumseh in central Indiana to facilitate an intense curriculum for DU's top leaders.

Regional Leadership Academy

Regional Leadership Academies (RLAs) serve as a unique opportunity for chapter officers and advisors to learn about a wide range of topics affecting fraternity life today. Held in six regions across North America in February (new in 2024 was a California RLA), participants explore their individual roles and responsibilities as defined by the Delta Upsilon Officer Core Competencies. RLAs provide chapter officers and advisors with the leadership skills needed to succeed as a part of a highly effective leadership team at the chapter level.

Building Better Men Retreats

Building Better Men Retreats bring Delta Upsilon's award-winning curriculum to the local chapter level. Seasoned DU staff members and volunteers design and facilitate a customized retreat tailored to meet specific chapter needs. This includes defining effective brotherhood, identifying chapter priorities, and creating a plan of action for the year. Each member is given a voice in the future of the chapter through activities focused on problem solving, innovation, vision-setting and action planning.

Emerging Leaders Experience

The Emerging Leaders Experience (DUEL) is a highly interactive program that encourages participants to develop a better understanding of their personal leadership by analyzing their talents through Gallup's CliftonStrengths Assessment. This program often includes a trip to the Fraternity's founding site at Williams College or DU International Headquarters, which allows for in-depth Ritual education. Through discussions that clarify their personal values and talents, participants take ownership for creating the ideal Delta Upsilon experience. A second session of DUEL is now offered annually thanks to the generosity of Jim Graham, *Oregon State '65*, and his Ignite The Charge Campaign commitment.

Global Service Initiative

The Global Service Initiative (GSI) is the Fraternity's international philanthropy and service program. GSI began in 2011 as a service immersion trip to Jamaica where participants engage in direct, hands-on service by building a school. Today GSI has expanded to include regional experiences where participants engage in service projects that meet local needs. Every GSI experience puts DU's values into action and prepares our undergraduate brothers to become true global citizens.

Leadership Institute

The Leadership Institute (LI) is DU's annual leadership conference and convention where participants attend defined breakout tracks focused on leadership development and chapter operations. During LI, students meet in the Undergraduate Convention to discuss Fraternity legislation, network with distinguished alumni, and celebrate the work of DU's top chapters and individuals at the closing Grand Banquet.

Building Better Men Retreats

CAMPAIGN DOUBLES ANNUAL CHAPTER RETREATS

Thanks in large part to generous Ignite The Charge Campaign donors, the Delta Upsilon Educational Foundation has been able to continue growing Building Better Men Retreat activities over the last fiscal year. These customizable retreats bring the Fraternity's educational program to campus, with a skilled facilitator working with all undergraduate members to take their chapter activities to the next level.

2023-2024 Educational Program Attendance

Delta Upsilon's goal is to have the Fraternity's educational programs reach as many undergraduates as possible each year. With help from the Ignite The Charge Campaign, the DUEF will be able to provide more grants to the Fraternity to pay for educational programs, and more registration scholarships have and will continue to become available for students. All of this helps take the financial burden of attending a program off the backs of students and chapters.

OTHER PROGRAMS SUPPORTED BY THE DUEF ANNUALLY

Tuition Scholarships

Delta Upsilon's tuition scholarship program provides merit-based scholarships of \$1,000 to members seeking undergraduate or graduate degrees. These scholarships are made possible each year thanks to the McQuaid Scholarship Fund, which honors James D. McQuaid, *Chicago '60*, for his service as a six-year president of the International Fraternity and a longtime advisor of the Chicago Chapter. The application for McQuaid Scholarships is available online in the spring and is due June 1. Scholarship winners are notified each summer and recognized on stage at the Leadership Institute.

Ignite The Charge

A STORY FOR DU'S HISTORY BOOKS

The evening of Aug. 3, 2024, will go down as one of Delta Upsilon's most historic moments, as the final results of the Ignite The Charge Campaign were revealed on stage at the Leadership Institute in Atlanta. But, like other signature moments throughout DU's history, the story of this Campaign will be remembered as more than just one night of celebration or one major fundraising achievement. After three long years of hard work, sacrifice, generosity and commitment from DUs, parents and friends, the Ignite The Charge Campaign is now lighting the way for our Fraternity's future. As we tell the story of the Campaign's three-year journey, its final results, and its lasting future impact, let us always remember that Friendship, Character, Culture and Justice are the ideals that have and forever will advance our men, our Fraternity and our world.

A Rocky but Optimistic Beginning

By 2021, Delta Upsilon's progress in membership, academics, leadership development and alumni support had solidified North America's oldest non-secret Fraternity as the premier brotherhood experience for college men. Our results stemmed from a recently completed strategic plan that modernized DU's *Building Better Men* mission. Cutting-edge educational programming, new chapter assessment tools, and volunteer coaching resources were just a few of the driving forces behind DU's indisputable rise to prominence. Because of this success, the International Fraternity and Educational Foundation's leadership wondered if the time was right to embark on a capital campaign to raise funds for DU's continued success.

Despite our success at the time, several headwinds still faced the Fraternity in 2021. While our donor base had been strengthened as a result of the Fraternity's progress, the vast majority of alumni were unaware and unengaged. The COVID-19 pandemic not only shifted the operations for many of our chapters and campuses, it also pointed out the need for updated technology within the Fraternity. Although the Educational Foundation was funding a record 12 educational program scholarships per chapter each year, it was clear that our best chapters were sending 30+ men annually, and many more men would attend if funding was available. Most troubling at the time was the fact that annual DUEF grants to the Fraternity could only cover 38% of the educational costs of existing *Building Better Men* initiatives. This reality was placing an unsustainable financial burden on the shoulders of our DU undergraduates and local alumni. These challenges—along with an uncertain higher education landscape and a growing public pressure for fraternities to prove their relevance—left some members of DU's leadership wondering if a successful campaign could even be possible.

Rather than make a quick decision, the DUEF Board of Trustees decided to conduct a campaign feasibility study with the help of Johnson, Grossnickle & Associates—a reputable fundraising firm that specializes in helping nonprofit organizations (including many fraternities) test the viability and scope of a capital campaign. Over the course of three months, more than 30 top alumni donors were personally interviewed by the team of consultants. Additionally, all DU alumni received an electronic survey seeking donor motivations, focus areas for giving, and interest in supporting a multi-million dollar campaign at the International Fraternity level.

2006	DU'S PROGRESS	2021
28 men	Average DU chapter size	51 men
2.97	DU Fraternity-wide GPA	3.27
5 men	Educational program participants per chapter	12 men
\$393	Average gift to the DU Educational Foundation	\$733

The original case materials shared during this process called for a \$7.5 million campaign over a five-year period. The three main funding objectives were: the individual development of our undergraduates, the enhancement of our local chapters, and proving DU's relevance through innovative research and initiatives aimed at meeting our future needs.

The final results of the feasibility study included two major recommendations from the fundraising consultants.

- **First** – Delta Upsilon should confidently move forward with a campaign supporting the three original funding objectives.
- **Second** – A \$7.5 million campaign over a five-year period was not realistic. However, a smaller \$5 million campaign over a three-year period was more achievable and would provide momentum for future fundraising efforts.

Although the second recommendation wasn't exactly what DU leadership had hoped for, the rationale for executing a smaller campaign in a shorter time period was backed by the collective feedback from alumni. More importantly, the educational needs of the Fraternity weren't going away, and in many ways, would increase in the years ahead. So, in April of 2021, the Board of Trustees tasked the DUEF staff with preparing a \$5 million campaign project plan—a plan that would include a final case for support, a volunteer/staff leadership structure, a campaign name and brand, and many other strategic elements.

Time to Go Far, Not Fast

"Now is the time!"

These were the words of DUEF Chairman Lewis Gregory, *Kansas '75*, during the Fraternity and Foundation's Joint Board Meeting moments before the Leadership Institute kicked off in New Orleans on July 30, 2021. DUEF staff had just shared the campaign project plan and final strategy recommendations for a \$5 million campaign over the next three years. Resounding agreement from all members of Delta Upsilon's leadership quickly followed. With a clear uphill road ahead, the Ignite The Charge Campaign was officially underway.

The Campaign's name was chosen to honor one of the Fraternity's most cherished traditions during the Initiation Ceremony—THE CHARGE. And just like The Charge at Initiation, this Campaign needed to IGNITE a passion for Delta Upsilon in the hearts and minds of members, parents and friends everywhere.

Joining Brother Gregory in leading the Ignite The Charge Campaign would be former International Fraternity President E. Bruce McKinney, *Missouri '74*. Brother McKinney was a clear choice for Campaign Chairman given his fundraising and chapter volunteer experience, his passion for the fraternal movement, and his humble and authentic demeanor.

An old African Proverb perfectly defines the sentiments in the room when Brother McKinney and Brother Gregory would step in to lead the Ignite The Charge Campaign:

"If you want to go fast, go alone. If you want to go far, go together."

Unstoppable Early Momentum

Although only Delta Upsilon's staff and Board members were aware of the Campaign and this bold fundraising decision, the excitement about the possibilities of the Ignite The Charge Campaign was hard to contain as the 2021 Leadership Institute continued. The same infectious momentum would follow in the weeks and months ahead as the staff and Campaign volunteers began a "top down and inside out" solicitation strategy at the start of the Campaign's silent phase. These critical months included securing early gift commitments and the recruitment of a 17-person volunteer Campaign Cabinet that would serve throughout the Campaign's entirety.

One by one, members the Fraternity and Foundation Boards—along with many top donors who participated in the feasibility study—stepped forward with their Campaign commitments. Yes, it was a bold and brave decision by DU's leadership to endorse moving forward with the Ignite The Charge Campaign, but you cannot underscore how important it was that these same leaders gave gifts of time and treasure early in the Campaign. Their early support would provide critical momentum that would become unstoppable in the months and years ahead. Although the list of outstanding early Campaign commitments is too long to include everyone, below is a chronological summary of 11 of the most critical commitments secured in the first year of the Ignite The Charge Campaign.

DONOR	CAMPAIGN COMMITMENT
Kim & Ralph Castner, <i>Nebraska '85</i>	\$250,000 (Later upgraded to \$275,000)
Debbie & Dave Franzetta, <i>Michigan State '70</i>	\$250,000 (Later upgraded to \$400,000)
Jim Graham, <i>Oregon State '65</i>	\$500,000 (Later upgraded to \$650,000)
Sandy & Bruce Bailey, <i>Denison '58</i>	\$160,000 (Later upgraded to \$205,000)
Maury Mandel, <i>Chicago '55</i>	\$100,000
Sharon & Steve Rowley, <i>Ohio '65</i>	\$112,500 (Later upgraded to \$137,500)
Tom Durein, <i>Oregon State '92</i>	\$150,000 (Later upgraded to \$215,000)
Brian Mudrick, <i>Louisville '82</i>	\$105,000 (Later upgraded to \$133,300)
Bob Black, <i>Iowa '95</i>	\$250,000 (Later upgraded to \$460,000)
Dave McKeag, <i>Minnesota '04</i>	\$100,000 (Later upgraded to \$138,564)
Jordan Lotsoff, <i>Northern Illinois '88</i>	\$1,000,000 (Later upgraded to \$1,057,394)

It is worth highlighting that by the end of the Campaign:

- ♦ 8% of the campaign total would come from the DUIF Board of Directors
- ♦ 16% would come from the DUEF Board of Trustees
- ♦ 18% would come from other Campaign volunteers

These commitments, and many more unmentioned, were instrumental in securing early momentum. More importantly, the generosity shown by DU's leadership honors the same "leading by example" mantra that the Fraternity's educational programs strive to instill in our undergraduate members. **Leadership through action matters!** Delta Upsilon will forever be grateful for all those who stepped up early with stretch campaign commitments.

Campaign Goes Public with Increased Goal

As the silent phase of the Ignite The Charge Campaign continued into late spring 2022, it was growing harder to stay quiet about the Campaign's progress. Personal outreach efforts from the Campaign Cabinet were a driving force in generating excitement and gift commitments from alumni across North America. In May 2022, the Campaign leadership met virtually to finalize plans for heading into the public phase. The 2022 Leadership Institute in Orlando would be the first major opportunity to announce the Campaign and its progress to the collective DU membership—and mass print, email and web communications were ready to follow. An astonishing \$3.3 million had been secured for the Campaign by June 1, 2022, which prompted the decision to raise the overall goal to \$6 million.

Although early commitments were numerous and significant, sharing the Campaign's case with alumni outside DU's inner circle (and hopefully securing their gift commitments) was more difficult and more time consuming. Maintaining continuous momentum is the hardest thing to do throughout a campaign, but the stage was set for a public launch at the Leadership Institute on Aug. 6, 2022. A Campaign video told the story of DU's cherished history and highlighted ways the Campaign hoped to develop individuals, improve chapters, and secure the Fraternity's vitality in the years ahead. Undergraduate DUs were quick to lead the applause as each early gift commitment was announced and the news that \$3.9 million had already been secured toward the ambitious \$6 million goal. This historic fundraising effort was now in the hands of all members and friends of Delta Upsilon.

These words from Campaign Chairman Bruce McKinney sum up the call to action and collective responsibility that were shared on stage that night:

"Yes, we all have different means, but everyone can do their part for this Campaign when asked. Whether you are a DU alumnus, undergraduate or friend of the Fraternity, our collective CHARGE is the same. Together we must bring honor to our Founding Principles through our gifts of time, treasure and leadership. I hope we all take this opportunity to show the world DU is here to stay, and our young men are more than worthy of our investment!"

More and More Answer The Charge

In the months that followed the Campaign's public announcement, hundreds more would hear the story of Delta Upsilon's progress and how the Campaign was beginning to shape the Fraternity's future. A total of 18 Campaign receptions were held in cities across North America from 2022 to 2024, each hosted by either a willing Campaign supporter or a member of the Fraternity's Board/Campaign leadership. All told, 541 alumni attended one of these regional receptions, which led to hundreds of gift commitments and countless conversations about the important work being done by Delta Upsilon.

The motivating factors for each donor can be drastically different, but many were inspired to give because of an overwhelming feeling of gratitude for the impact the Fraternity made (and was still making) on their lives. Others held a deep passion for their DU chapters and wanted to give in ways that directly supported the educational needs of undergraduates at the local level. Although each donor's motivation was different, there remained a universal belief that DU's Four Founding Principles were a clear recipe for success for our young men, our communities and our collective society.

With only one year remaining before the conclusion of the Ignite The Charge Campaign, the Fraternity Board and Campaign leadership met at the Leadership Institute in Kansas City on July 29, 2023. There were three major strategies ready to deploy in the Campaign's final year, and each addressed one of the consistent giving motivations heard from alumni. In the final year of the Campaign, thousands of DUs and friends would be asked to support this historic effort, and the end goal was to maximize support for the Campaign from as many donors as possible.

The three key strategies of the final year were:

1. **Annual Loyalty Fund 1:1 and 3:1 Challenge Gift** – Thanks to DU's top lifetime donor, Paul Edgerley, *Kansas State '78*, donors who made one-time gifts to the Annual Loyalty Fund would have their gift matched 1:1. However, those who agreed to make a five-year commitment would have their collective giving total matched 3:1. In other words, a donor who gave \$500 per year for five years (\$2,500 total) would receive a \$7,500 match from Brother Edgerley, resulting in a \$10,000 impact on the Campaign!
2. **Ambassadors Promote Chapter Legacy Plan Endowments** – Fourteen additional Campaign Ambassadors were recruited and trained on the Campaign case. These volunteers spent the final year enlisting support from their chapter alumni for an existing or newly created Chapter Legacy Plan (CLP). CLPs are endowment funds held at the DUEF that provide educational programming scholarships directly to the local chapter each year.
3. **Heritage Circle Premium Offered to Secure Estate Gifts** – Leaving an estate gift to the DUEF remains a fantastic way for donors to support the Fraternity. To entice more brothers to join the Foundation's Heritage Circle by documenting estate gifts to Delta Upsilon, the Foundation partnered with longtime DU Historian Craig Sowell, *Houston '92*, who had released an updated edition of "Revealing the Non-Secrets: The History of the Founding and Founders of Delta Upsilon Fraternity." Autographed copies of the book were sent to any DU who joined the Heritage Circle or upgraded his previously documented estate gift as a part of the Campaign.

These strategies, along with the continued hard work of Campaign volunteers, Board members and staff, put Delta Upsilon in a very favorable position by spring 2024. The Campaign was quickly approaching the \$6 million mark, which brought forward one major question.

"If surpassing the goal was possible, just how far past \$6 million could we go?"

The final weeks leading up to the 2024 Leadership Institute in Atlanta were some of the most fun and rewarding professional moments for the DU staff. Not only were the final donors stepping forward to support the Campaign, but many members of DU's leadership and inner circle—those who had already provided early momentum for the Campaign with their gifts—decided to stretch their Campaign commitments even further with the hope of helping DU achieve a milestone none thought possible.

A Moment of Historic Celebration

Setting the stage for the announcement of the Campaign's final results in Atlanta was International Fraternity President Tom Durein, *Oregon State '92*, who told the story of how the Campaign came to fruition. Joining him on stage were the two men most responsible for the Campaign's efforts: Trustee Chairman Lewis Gregory and Campaign Chairman Bruce McKinney. These men introduced a final Campaign video that told the story of the Ignite The Charge Campaign, our major Campaign donors, and the many ways the Campaign has and will impact the future of Delta Upsilon.

To reveal the final Ignite The Charge Campaign results, a group of undergraduate leaders marched in single file onto the LI stage, each holding a large white sign. Although these men didn't know beforehand, they were selected to help reveal the final results of the Campaign because each represented either a chapter receiving a 2024 Sweepstakes Award or was a finalist for the Distinguished Undergraduate Award.

One by one, each number of the final Campaign results were revealed, until ...

Delta Upsilon staff created several campaign videos throughout the Ignite The Charge Campaign. The first was shown at the 2022 Leadership Institute in Orlando to announce the public phase of the Campaign. The second was shown at the 2023 LI in Kansas City to detail the Campaign's progress going into its final year. The final video was shown at the 2024 LI Grand Banquet in Atlanta before the Campaign's fundraising total was revealed.

Results and Impact Summary

Resounding cheers filled the Grand Hyatt Atlanta's ballroom when the \$10,391,278 result was revealed. After initially being told that raising \$7.5 million in five years' time was unlikely, 2,136 alumni, undergraduates, parents and friends responded by **more than doubling** the original \$5 million goal of the Ignite The Charge Campaign in just three short years—a feat more astonishing than anyone thought possible!

An unprecedented achievement worthy of celebration, yes, but what does the Campaign's success REALLY mean for Delta Upsilon and our future? Although some donors have already completed their Campaign commitments, others will fulfill their pledged support through fiscal year 2029 and/or through future estate gift commitments. The DUEF has already begun the significant responsibility of properly stewarding these generous gifts to the Campaign. Afterall, the most important result of a Campaign is not the final dollar amount raised, but how the charitable gifts are used to advance our members, our chapters, and our *Building Better Men* mission.

Although the Ignite The Charge Campaign's full impact on Delta Upsilon's future will expand over time, the chart on page 19 shows just a few of the most notable outcomes our Ignite The Charge Campaign donors have made possible.

The Journey Ahead

Without question, the Ignite The Charge Campaign will continue to light the way for Delta Upsilon's future for generations to come, and this historic achievement wouldn't have been possible without the generous investments of brothers, parents and friends—all of whom believe greatly in our *Building Better Men* mission!

Nonetheless, the Fraternity's future will not come without daunting challenges. As we approach our 190th anniversary on Nov. 4, 2024, we are already facing uphill battles when it comes to the decline in male college enrollment, the slowly decreasing size of DU's donor base, alumni engagement challenges, and declining local chapter facilities. Although our hard work is far from over, we must remember that the Ignite The Charge Campaign was not just about advancing our Fraternity. Like many other significant moments in DU's cherished history, the ongoing work of our members, chapters and volunteers is about a fundamental belief that Friendship, Character, Culture and Justice make all of us—and our collective society—much, much better.

On behalf of the DUIF Board of Directors, DUEF Board of Trustees, DU staff and all Campaign volunteers, **THANK YOU** for investing in today's Delta Upsilon and in the future generations of men who will join our lifelong brotherhood.

There are men and women who make the world better just by being the kind of people they are. They have the gift of kindness or courage or loyalty or integrity. They teach the truth by living it.

Our Ways to Give

Ways To Give

Online

Giving online at deltau.org/give is the quickest way to support Delta Upsilon and put your generosity to work *Building Better Men*. Online you can make a one-time gift or set up a recurring gift (monthly, quarterly or yearly). The DUEF accepts all major credit and debit cards, Google Pay, and Apple Pay.

In the mail

You can mail a check directly to the Delta Upsilon Educational Foundation at 8705 Founders Road, Indianapolis, IN 46268. Your gift will impact thousands of undergraduate Delta Upsilon experiences through our Annual Loyalty Fund. Indicate in the memo line if you'd prefer to have your gift allocated differently.

Matching Gifts

Companies of all sizes match employer donations, however, 78% of match eligible donors have no idea whether their company offers a matching gift program. Does your company match employer gifts? Go to deltau.org/matching-gifts to search for your employer and have the opportunity to make a larger impact.

Stock Gifts

Because the DUEF is a 501(c)(3) charitable organization, gifts of appreciated stock avoid capital gains tax and will provide you with a tax deduction for the full fair-market-value at the time of your gift. Please work with your broker to initiate a charitable stock transfer directly to the DUEF, and notify our Executive Director Justin Kirk at (317) 875-8900 or kirk@deltau.org. Information your broker will need to process the gift is: Delta Upsilon Educational Foundation, A/C # 1051-8517, Charles Schwab & Co. Inc., DTC Clearing 0164 Code 40.

Charitable IRA Gifts

If you have an Individual Retirement Account (IRA) and are age 70.5 or older, a gift to the DUEF from your IRA is considered a Qualified Charitable Distribution (QCD). The QCD can be counted toward satisfying your Required Minimum Distribution (RMD) for the year, and the QCD is excluded from your taxable income, which may keep you in a lower tax bracket. To fully qualify for these benefits, gifts from your IRA must be transferred directly to the DUEF. This is usually accomplished by requesting your IRA custodian issue a check from your IRA made payable to the Delta Upsilon Educational Foundation; 8705 Founders Road, Indianapolis, IN 46268; Tax ID #: 35-1976226

Donor Advised Funds

The DUEF gladly accepts gifts from Donor Advised Funds (DAF) or Family Foundations, which are excellent ways to both simplify your charitable giving and facilitate your strategic philanthropic goals. Although the tax benefit is provided to you by the sponsoring organization, the DUEF still gives you full recognition for a gift from your DAF or Family Foundation. Learn more and make your gift online at deltau.org/donor-advised-funds.

Honorary and Memorial Gifts

A gift in memory or in honor of a brother or loved one is a remarkable way to leave a legacy for future generations, and gifts of \$200 or more to the Annual Loyalty Fund will secure a brick in the Founders Memorial Courtyard at the Fraternity Headquarters. You can also establish a Named Endowment Fund with a gift of \$25,000 or more to provide ongoing program scholarships in perpetuity. Contact a member of the DUEF staff or visit deltau.org to explore different ways to make an honorary or memorial gift.

Oak Circle

Each year, DU undergraduates are encouraged to give back through the Oak Circle—the Foundation's undergraduate giving club. Hundreds of undergraduates join the Oak Circle each year with a gift of \$18.34 or more to the Oak Circle endowment, and the dollars raised are directly used to provide educational program scholarships to undergraduates. Undergraduates can give directly to the Oak Circle at deltau.org/oak-circle.

Named Endowment Funds

Named endowment funds ensure a donor's giving makes an impact forever. A minimum pledge of \$25,000 is required to establish a named endowment fund, and the funds are subject to a 4% annual spend rate (based on the prior 12-quarter fund average). Alumni chapters can also establish a Chapter Education or Housing Account (CEA/CHA), which are not subject to the 4% spending policy and provide grants to chapters for educational needs. (Blue = new fund in fiscal year 2024)

New Named Endowments

Thanks to the Ignite The Charge Campaign, several new named endowment funds were created in the 2023-2024 fiscal year. Below are new funds we wish to highlight.

Stephen J. Henning Endowment Fund

Established by Stephen J. Henning, *Nebraska '85*, to provide program scholarships to West Coast chapters (with a preference to new chapters). This fund will shift to providing resources to the Nebraska Chapter in the event they have a funding need.

Jeff Kreutz Regional Leadership Academy Endowment Fund

Established by Jeff Kreutz, *Missouri '99*, to fund Missouri Chapter undergraduates to attend RLA. In the event Missouri does not send men to RLA in a given year, the annual draw from the fund will be used to provide Missouri undergraduates with scholarships to other educational programs.

Christopher L. & Benjamin L. Miller Scholarship Fund

Established by Christopher L. Miller, *Miami '90*, and his son Benjamin L. Miller, *Miami '24*, the Miller Scholarship Fund will provide educational program scholarships with preference for undergraduates from the Miami Chapter.

Ryan E. King Educational Program Fund

Thanks to the generosity of Sharon and Steve Rowley, *Ohio '65*, the Ryan E. King Educational Program Fund is being established with a gift of \$25,000, which is a portion of the Rowley's full \$137,500 campaign commitment. This fund honors Ryan, a member of Beta Theta Pi, for his interfraternal spirit and his leadership throughout the Ignite The Charge Campaign as a member of the DUEF staff. The fund will provide scholarships to the Undergraduate Interfraternity Institute and inspire young DUs to lead and serve their interfraternal communities.

Jon Shapiro Memorial Scholarship Fund

Established by Wisconsin alumni and the Shapiro family in memory of Jon Shapiro, *Wisconsin '11*. The fund provides tuition scholarships to Wisconsin Chapter DU undergraduates.

*Memorial gifts in honor of Brother Shapiro can be made at www.deltatau.org/ShapiroMemorial.

Heritage Circle

The Heritage Circle honors living brothers and their families who have chosen to include the Delta Upsilon Educational Foundation as a beneficiary in their will or estate plans. The prestigious society includes brothers who have committed to *Building Better Men* for generations to come, and Heritage Circle members are honored on a permanent plaque at the Fraternity's International Headquarters.

As one of the Founding Fathers for the Carnegie Chapter, The Development of Character was a Founding Principle that came to life and resonated most with my brothers and me. The support from IHQ

and our alumni gave us the skills and confidence to reach our goals during and after college, which made us better men overall. For this, we will always be grateful!

★ 25+ Years of Consecutive Annual Giving

★ 50+ Years of Consecutive Annual Giving

Looking back after 30 years, Delta Upsilon's Four Founding Principles—Friendship, Character, Culture and Justice—have profoundly shaped my values and decision making. They've instilled a commitment to ethical leadership, a passion for lifelong learning, and the importance of building supportive relationships, all of which continue to guide my personal and professional journey.

The future of DU depends on the support of those of us who have benefitted from this exceptional Fraternity in the past. The Ignite The Charge Campaign was a catalyst for focusing the fundraising

efforts of our Kansas State alumni. We are well positioned to support leadership opportunities for our undergraduates, and the Campaign has only strengthened our ability to build better men.

I am a monthly recurring donor because as an undergraduate, I was given the opportunity to attend Delta Upsilon educational programs, such as DUEL, LI and RLA, as well as UIFI. These programs truly do build better men by helping students like me strengthen our local chapters and Greek communities, while also expanding our greater world view.

The Ignite The Charge Campaign reaffirms my belief in living a life committed to our Four Founding Principles. This belief will now continue in the lives of our brothers today, and surely in the lives of our many brothers to come.

Recognizing our Loyal Donors

Lifetime Giving Wall

The DU Educational Foundation will forever be grateful for the DUs, parents and friends who provide gifts of time and treasure throughout their lives. The more lifelong donors committed to investing in our *Building Better Men* mission, the greater our Fraternity and our world will be. Thankfully, the DUEF has donors with more than \$1,000,000 in lifetime giving, as well as younger brothers who have gifted \$1,000 and counting. Along with recognition in the annual report, the Lifetime Giving Circles are on display on the Lifetime Giving Wall at the International Headquarters. This display commemorates the cumulative impact of our most loyal and generous donors and reminds future generations of the loyal DUs who came before them.

We invite you to visit www.deltatau.org/annual-and-lifetime-giving for a full breakdown of how we recognize our Lifetime Giving Circles, beginning with our Circle of Loyal Brothers at over \$1,000 all the way to our Dikaia Upotheke Circle at \$1,000,000+ given over their lifetime.

Founders Memorial Courtyard

The Founders Memorial Courtyard stands as a lasting tribute to the DU Founders of 1834, and it is a great way for donors to etch their name in DU history. Bricks in the courtyard come with a \$200 gift to the Annual Loyalty Fund, which is an investment in the educational development of today's undergraduates.

Whether you want to add your own name to the courtyard, or want to honor/memorialize another DU brother, visitors to the International Headquarters each year see the many great DUs commemorated from our Fraternity's history. Within the courtyard, the names of our 30 Founders are each engraved on their own brick. In the center of the courtyard is an engraved tablet with the Fraternity seal. Around that tablet, every DU chapter in history is recognized with a gray brick listing the chapter's name and founding date. Around the perimeter of the courtyard, bricks are divided into 30-brick sections, symbolizing our 30 Founders.

Visit www.deltatau.org/founders-memorial-courtyard to learn more and to secure your own brick.

Scan here to purchase a brick.

Consecutive Giving

The DUEF recognizes its most loyal consecutive giving donors with a star in the Honor Roll, followed by the number of consecutive years they have given, starting at 25 years. A loyal group of donors continues to raise the bar at 54 consecutive years of giving, and there are over 156 total donors who have given 25 years or more.

NEWEST ADDITION TO THE 25+ CONSECUTIVE YEARS OF GIVING

My friendships with Delta Upsilon brothers have carried on for 50 years. I've taken many vacations with Illinois brothers from classes 1970-1975. Our last three-day vacation was in Lake Geneva with 22 brothers and 12 wives attending. Fun times!

Our Chapters

Chapter Scorecards

At the end of each academic year, each DU chapter receives a scorecard of its vital statistics in relation to the Fraternity's Men of Merit Chapter Standards Program. The scorecards on the pages that follow highlight the information shared. Chapters are encouraged to use these scorecards and the Men of Merit Chapter Standards to set goals for the coming year and ensure that they are operationally sound.

Serve as a Chapter Advisor

Successful Delta Upsilon chapters have one thing in common: strong alumni and chapter advisor support.

Delta Upsilon is always looking for chapter advisors to provide local support. All chapters would benefit from assistance, but our associate chapters (DU's newest chapters) are in need of the most help.

An advisory role gives you the opportunity to serve as a mentor to chapter members, working one-on-one with chapter officers and other advisors to provide guidance and support. Much of this work can be done virtually. While some advisor positions may require more attention than others, **the estimated time commitment of a chapter advisor is 3-5 hours per month.**

SWEEPSTAKES AWARD RECIPIENTS

Based on feedback from the membership, the Delta Upsilon International Fraternity Board of Directors updated the structure of the Sweepstakes Award, starting with the 2023-2024 academic year. To promote more equity in the awards process, the Fraternity will now present Sweepstakes Awards to the Fraternity's top chapters, which will make up no more than 10 percent of all Delta Upsilon chapters across North America. As with the previous model, these chapters are determined based on operational metrics found in the Fraternity's Men of Merit Chapter Standards Program. There will no longer be an overall Sweepstakes Trophy recipient.

Distinguished Undergraduate Award

LOGAN CAUDILL, *BRADLEY '24*

FINALISTS

Zander Doan, *Western Illinois '24*

Jack Martin, *Purdue '24*

Krish Rastogi, *Toronto '24*

Delta Upsilon's Distinguished Undergraduate Award recognizes the time and effort given by an undergraduate brother for the improvement of his chapter, campus and community throughout his entire college career. It is the highest honor that can be bestowed on an undergraduate DU.

Logan Caudill, *Bradley '24*, was presented with the award during the 2024 Leadership Institute's Grand Banquet. On campus, Logan was active in the Bradley University Student Senate, Pre-Law Club, Club Golf Team and Catholic Braves. He also served as the Interfraternity Council's Vice President, a Summer Orientation and Events Coordinator with Bradley University Orientation, and a Markin Recreational Center Supervisor. Within Delta Upsilon, he held a number of roles including Chapter President, Philanthropy Chairman and Alumni Chairman. On the International Fraternity level, Logan served as the Undergraduate Advisory Board Chairman from 2022-2023 and as an Undergraduate Director on DU's Board of Directors from 2023-2024.

Logan is a 2024 graduate of Bradley University with a degree in Political Science and minors in Business Law and Legal Studies. He is now enrolled at Northern Illinois University and working toward his Juris Doctorate Degree and a Master's in Public Administration.

"Being part of Delta Upsilon has been transformative," Logan said during his acceptance speech. "The Fraternity provided me with a network of brothers who stood by my side through thick and thin. They were there during my most challenging times, offering encouragement and understanding when I felt overwhelmed by academic pressures and personal doubts. Their unwavering support helped me find my footing and gave me the confidence to navigate the rough waters of college life."

President's Award: Chapter President of the Year

KENZY ROLLEY, *KANSAS '24*

Serving as Chapter President for any Delta Upsilon chapter takes hard work and determination. The role can provide additional challenges when a chapter or associate chapter is brand new and does not have a set of past standards, goals and operations to work from. Fortunately for the Kansas Chapter, its first Chapter President following its re-establishment was up to the challenge.

Expansion recruitment efforts for the Kansas Chapter's return began in fall 2022, and Kenzy Rolley, *Kansas '24*, was elected as the associate chapter's first President as it worked toward the Fraternity's goals for Reinstallation. With help from alumni and International Headquarters staff, Kenzy helped shape an entire chapter of new members into a highly functioning group. While it can take many DU associate chapters two years to earn their charter, the Kansas Chapter was able to do so in just one year under Kenzy's leadership.

Kenzy attributes the chapter's early success with having all members bought into a shared vision for the chapter. With all brothers focused on building an award-winning chapter, it was easy to delegate tasks and work as a team as the chapter worked to perform every task to its very best.

When asked what advice he has for other DU Chapter Presidents, Kenzy said: "The main thing that I tell my guys while we are in Executive Board or other meetings is don't spend time complaining about what is not working, but rather, talk about ways we can strategically solve said issue. It has made everything run effortlessly and helps boost intellectual morale."

Kenzy received The President's Award: Chapter President of the Year during the Leadership Institute's Grand Banquet with his father (Blake Rolley, *Kansas '84*), mother and sister in attendance.
