RE: Pauly Jail Building Company, Inc.

Ladies and Gentlemen:

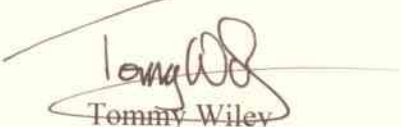

I am pleased to offer for your consideration this letter of recommendation for Pauly Jail Building Company, Inc.

I had the opportunity to work with Pauly Jail Building Company during the construction of the White County Sheriff's Office and Jail located in Cleveland, Georgia. The total amount of our contract with Pauly Jail Building Company was \$1,404,489.00. The project was completed in March 2012.

It was a pleasure getting to know and to work with Pauly Jail Building Company on this project. It is without hesitation that I recommend the company. Their knowledge, professionalism and diligence set them apart.

Please feel free to contact me if you have any questions or would like to discuss any portion of the information provided above.

Sincerely,

Tommy Wiley
Project Manager
