

Request for Reconsideration of Library Resources

In order to accomplish the Library's mission of providing a broad diversity of information through resources and programs, the Library has developed a large and comprehensive general collection, and offers a diverse array of programs for all ages. Reconsideration procedures have been established so that members of the community may express concerns about programs, displays, or materials included in the Library's collection. Completion of this form is the first step in these procedures. If you wish to request reconsideration of library resources or programs, please return this completed form to one of your branch librarians.
