Pursuant to State law, the Board may deny a student's application to transfer to the Corporation, discontinue enrollment of a transfer student currently attending, rescind approval of a student approved to attend in a subsequent year, or establish terms or conditions for enrollment or for continued enrollment in a subsequent school year, if:

- A. during the preceding twelve (12) months, the student has been suspended or expelled for:
 - 1. ten (10) or more school days;
 - 2. possession of a firearm, deadly weapon, or a destructive device;
 - 3. causing physical injury to a student, school employee or visitor to the school; or
 - 4. a violation of the Corporation's drug or alcohol rules.
- B. the student has had a history of unexcused absences, and the Board believes that, based upon the location of the student's residence, attendance would be a problem for the student if the student is enrolled in the Corporation.

For purposes of computing the number of days of suspension of the student requesting enrollment, student discipline received from a teacher pursuant to I.C. 20-33-8-25(b)(7) and I.C. 20-26-11-32(j) shall be included in the calculation of the number of school days that a student has been suspended.
