Funds raised by
the Johnson Memorial
Hospital Guild are
to improve the
patient and visitor
experience at Johnson
Memorial Health.

It has been an honor to serve as the 2020 President of the JMH Guild! I wish to thank the dedicated Guild members, JMH Volunteers, Board of Directors and all of the employees who shop at The Gifting Tree and support us during other events that have raised funds in order to give back to JMH. With all of your help, we survived the challenges of 2020 and were still able to fulfil our goals.

Warmly,

Nancy Patterson, President

Our Appreciation To Johnson Memorial Health Employees

The Johnson Memorial Hospital Guild has never been so proud to be part of Johnson Memorial Health as we were in 2020. From the outbreak of the pandemic in March through the end of the year, we witnessed the resilience of you, the essential healthcare worker, on the front line and behind the scenes; everyone performing top-notch and adapting to the changes in our workplace day by day. The guild is very thankful for your compassion and hard work to the patients and visitors we all serve with quality care. The support you have shown through shopping in The Gifting Tree and participating in fundraisers is very appreciated. Thank you so much. Though we experienced a decline in income in 2020, we were able to stay true to our commitments and continued to share encouragement.
