# LETTER FROM DU LEADERSHIP

## Dear DU Brothers, Parents and Friends:

On behalf of the International Fraternity, Educational Foundation and Headquarters staff, it gives us great pleasure to share this Foundation Annual Report for fiscal year 2020!

As our sacred Ritual states, Delta Upsilon is *the tie that binds* us all together. This has never been more evident than during these unique times resulting from the COVID-19 pandemic. We continue to hear countless stories of DUs coming together in friendship and brotherhood to support our members and chapters across North America. More than that, the results highlighted in this Annual Report give us unwavering confidence that the Fraternity and Foundation are working together to stay one step ahead in advancing our mission of *Building Better Men* for a global society.

This year's Annual Report has a fresh new look that includes personal reflections from both our loyal donors and the undergraduates who directly benefit from the educational programs and initiatives made possible each year by the DUEF. Fiscal year 2020 was a remarkable year for the Foundation, as the Annual Loyalty Fund—our most critical funding source—received record contributions of \$478,055. This publication pays tribute to the 1,277 alumni, 265 undergraduates and 112 friends of DU who made contributions to the DUEF in fiscal year 2020. Simply put, the generosity from our family of DU supporters is what brings our mission to life each year.

With a new fiscal year well underway, we firmly believe that now is not the time to rest on our laurels. The staff and volunteer leadership of Delta Upsilon are working tirelessly to provide our students, chapters and volunteers with the support necessary to succeed. Although many educational programs, resources and coaching sessions are now being conducted virtually, the impact being made by our Foundation donors remains direct and purposeful. If we have learned just one thing this past year, it is that Friendship, Character, Culture and Justice are more important now than ever before—both for Delta Upsilon and for our world. Together, we celebrate the DUs and friends everywhere who personify our Four Founding Principles for the betterment of our society.

Delta Upsilon truly is *the tie that binds*, and we thank you in advance for your continued commitment to our cherished brotherhood.

Dikaia Upotheke,

# OUR IMPACT

Gifts to the Delta Upsilon Educational Foundation are used to advance the International Fraternity's educational mission of *Building Better Men*. Our award-winning programs and initiatives provide young men with the skills, character and personal responsibility they need to make a difference on campus, in the local community and in our global society.

# BY THE NUMBERS

## FUNDRAISING INCOME/EXPENSES

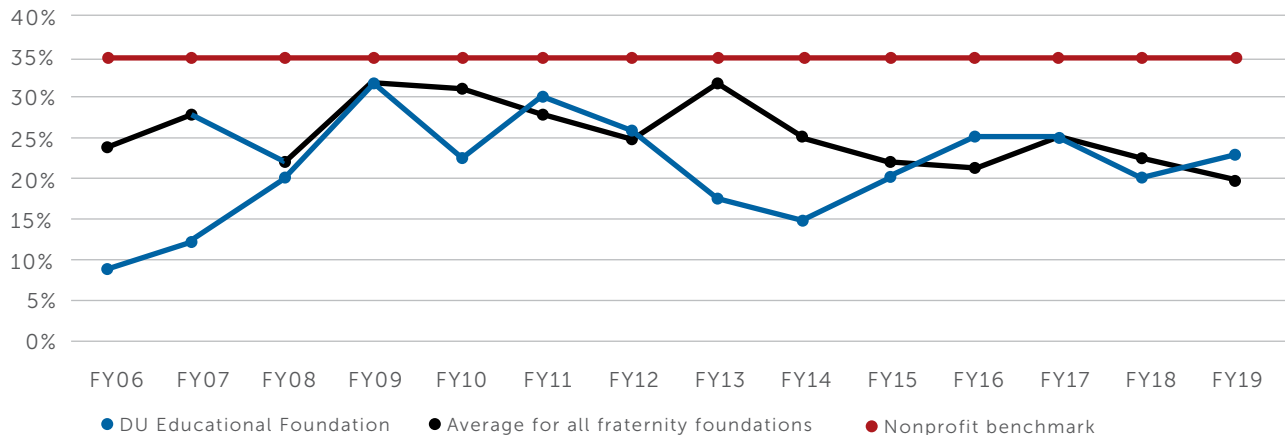

In the 2019-2020 fiscal year, the DUEF raised \$979,810 and awarded \$508,705 in grants for scholarships, educational programs and housing projects.

Although the International Fraternity and Educational Foundation are legally separate organizations, our joint mission allows us to maximize the various educational programs and resources funded in part by both organizations. The DUEF is fully committed to raising and spending the charitable dollars we receive efficiently, allowing us to build better men in the most direct way possible.

## FUNDRAISING EFFICIENCY RATIO

The Fundraising Efficiency Ratio represents the percentage of each dollar received by the DUEF that is spent on fundraising expenses (fundraising expenses/annual support). **The LOWER our Fundraising Efficiency Ratio, the better.**

In our most recently audited fiscal year (2018-2019), the DUEF's Fundraising Efficiency Ratio was 23%, which means it cost 23 cents for the DUEF to raise a dollar. This is well below the nonprofit benchmark of 35% or less, and historically, the DUEF has performed better than the average of all NIC Fraternity Foundations in terms of fundraising efficiency.

*\*All data shown is analyzed and provided by an independent partner of the Foundation for Fraternal Excellence using nonprofit tax returns (IRS 990). Information is only available through the prior fiscal year.*

# EDUCATIONAL PROGRAMS

Delta Upsilon offers many award-winning educational programs with a proven track record of success. These experiences teach cutting-edge leadership skills, offer character shaping personal development, and help young DUs learn how to improve their chapters.

The impact our award-winning educational programs have on our students is shown through the data collected in the Fraternity's annual Membership Outcomes Assessment. During the assessment, all DU undergraduates are asked to complete a survey specifically designed to measure personal development in areas including problem-solving, social justice, ethical decision making, and belonging—all while using the Fraternity's educational outcomes and Four Founding Principles as its guide.

The DU Educational Foundation supports the Fraternity's educational programs in a number of ways, including grants to fund the programs and scholarships for students to attend. Currently, the DUEF is only able to partially fund these educational initiatives, and the demand for educational programming increases every year. Ongoing financial support from brothers and friends of DU will improve our undergraduate-focused initiatives and help DU keep pace with the changing college landscape.

## EDUCATIONAL PROGRAM ATTENDANCE GROWTH

Attendance at DU educational programs has grown significantly over the past seven academic years. In 2018-2019, while total attendance numbers were lower than the previous year, the percentage of brothers attending a program relative to DU's total undergraduate membership numbers remained steady. The decrease for 2019-2020 was due to the cancellation of the May and June Global Service Initiative trips, Emerging Leaders Experience and some Building Better Men Retreats due to the COVID-19 pandemic. In lieu of those programs, the Fraternity has developed more virtual educational opportunities (such as webinars, roundtable discussions and video series) to continue to reach undergraduates in a digital setting.

# BUILDING INDIVIDUAL LEADERSHIP CAPACITY

## PRESIDENTS ACADEMY *PROGRAM IMPACT*

Presidents Academy accelerates the growth and learning of Delta Upsilon's Presidents each year. Presidents from every chapter/associate chapter come together to participate in an institute-style program with a curriculum that emphasizes the mission and Principles of Delta Upsilon as a foundation for effective chapter leadership.

OUR DATA SHOWS THAT PRESIDENTS ACADEMY HELPS BROTHERS DEVELOP GREATER SENSES OF:

## EMERGING LEADERS EXPERIENCE *PROGRAM IMPACT*

The Delta Upsilon Emerging Leaders Experience (DUEL) is a highly interactive program that encourages newly initiated members to create a deeper and broader definition of who they are and where they can have an impact. Held in June, DUEL takes up to 30 participants to DU's founding site.

OUR DATA SHOWS THAT DUEL HELPS BROTHERS DEVELOP GREATER SENSES OF:

# BUILDING TOP PERFORMING CHAPTERS

## REGIONAL LEADERSHIP ACADEMY *PROGRAM IMPACT*

The Regional Leadership Academies serve as a unique opportunity for chapter officers in a specific geographic region to learn about a wide range of topics affecting fraternity life today. Five RLA sessions are held in different geographic regions each year and are intentionally designed as an officer training platform to provide tangible skills needed for success as defined by the Delta Upsilon Officer Core Competencies.

OUR DATA SHOWS THAT RLA HELPS BROTHERS DEVELOP GREATER SENSES OF:

## BUILDING BETTER MEN RETREAT *PROGRAM IMPACT*

These chapter retreats are tailored to meet specific chapter needs and are led by trained DU staff and volunteers. Retreats include defining effective brotherhood within the chapter, identifying chapter priorities and creating a plan of action. Building Better Men Retreats are available to all DU chapters, and each year, roughly 17 retreats occur across North America.

OUR DATA SET PROVES DU IS *BUILDING BETTER MEN*.  
OVER FOUR YEARS, DU MEMBERS SHOW INCREASES IN:

The Delta Upsilon experience is proven to develop young men by increasing self-awareness, building critical thinking and problem-solving skills, and helping students better relate with others.

## BUILDING A LEADING FRATERNITY FOR A GLOBAL SOCIETY

### LEADERSHIP INSTITUTE *PROGRAM IMPACT*

As the annual Fraternity convention, the Leadership Institute serves as the highlight of the educational calendar. The Leadership Institute provides an opportunity to celebrate the accomplishments of a brotherhood that stands on a foundation of justice, while targeting educational content to meet the contemporary challenges of students and alumni.

OUR DATA SHOWS THAT LI HELPS BROTHERS DEVELOP GREATER SENSES OF:

### GLOBAL SERVICE INITIATIVE *PROGRAM IMPACT*

The Global Service Initiative (GSI) serves a dual role for Delta Upsilon: our **international philanthropy** and an **international service project**. In a normal year, DU hosts three service immersion trips to Jamaica for students to participate in hands-on service, reflect on their personal and DU values, and develop global competencies.

BROTHERS WHO ATTEND A GSI TRIP TO JAMAICA HAVE DRAMATICALLY HIGHER RATES OF:

# EDUCATIONAL PROGRAM TESTIMONIALS

"President's Academy stands out to me as one of the best programs DU has to offer. Being surrounded by likeminded and progress-driven brothers really pushed me to develop a strong plan for my presidency and challenged me to bring my chapter to new levels of success. Some brothers might see the experience as a little bit intimidating since we travel from around the country to spend a long weekend in rural Indiana, but it lets everyone disconnect from their day-to-day lives and commit themselves to this brotherhood and our individual chapters. I encourage every Chapter President to attend this amazing DU educational program."

- Clayton Cooper, *Western Reserve '19*

"Everything this Fraternity has taught me has helped me in my everyday life. From school to work, and even social circumstances, I am always dedicated to making myself a better man and standing up for those who cannot stand up for themselves. I will always take the initiative to speak up for others who cannot speak for themselves."

- Ricardo Rios, *North Florida '21*

"I have attended DUEL, RLA and LI since joining in the spring semester of 2017, and I have enjoyed every interaction I have had with other chapters, alumni and IHQ personnel. I believe that these professional interactions and settings for open dialogue have made me a better team player and leader in both my chapter and professional life."

- Trevor Smith, *Michigan Tech '21*

"One of the greatest strengths of Delta Upsilon is the extremely diverse membership of brothers from campuses across Canada and the United States. DU educational programs create an inclusive environment where brothers can be proud of their identities and how they contribute to the overall mission of *Building Better Men*. These programs allow for peer-led collaboration where chapters get to share their own unique strengths that help other chapters across North America. This international community of brothers couldn't exist without DU's educational programs."

- Aulden Maj-Pfleger, *Alberta '22*

## OTHER PROGRAMS SUPPORTED BY THE DUEF

# TUITION SCHOLARSHIPS

Delta Upsilon's tuition scholarship program provides 11 merit-based scholarships of \$1,000 to members seeking undergraduate or graduate degrees. These scholarships are made possible each year thanks to the McQuaid Scholarship Fund, which honors James D. McQuaid, *Chicago '60*, for his service as a six-year President of the International Fraternity and a longtime advisor of the Chicago Chapter. The annual application for McQuaid Scholarships is available online in the spring and is due June 1. Scholarship winners are notified each summer and recognized on stage at the Leadership Institute.

# NAMED ENDOWMENT FUNDS

Named endowment funds ensure a donor's giving makes an impact forever. A minimum pledge of \$25,000 is required to establish a named endowment fund, and the funds are subject to a 4% annual spend rate (based on the prior 12-quarter fund average). Alumni chapters can also establish a Chapter Educational or Housing Account (CEA/CHA), which are not subject to the 4% spending policy and provide grants to chapters for educational needs.

I give back to the Fraternity because DU provided me with immense opportunities to learn to lead. DU offered me an example of how people of all backgrounds are welcome without judgment, and I want the undergraduates of today to have that same comforting experience.

- B. Chris Brewster, Colorado '89

My most lasting relationships were started in the DU chapter at CMU, and 8-10 of us (including spouses) get together regularly to share what's happening in our lives. DU has positively shaped many lives, including my own, and I give back to the Foundation to provide the same opportunity for the next crop of young people.

(Name in blue)

We can do much more together than separately, and I've supported the DU Educational Foundation for 43 consecutive years to ensure the benefits I've received from the Fraternity are shared with others. Our Four Founding Principles are needed in today's society more now than ever, and I am often inspired when I see DU brothers putting the Principles into action for the betterment of our world.

I recognize that my education is a great privilege, one that many people in the world do not have access to. Thus, I don't take anything about my college experience (including my degree and my fraternity) for granted. I truly push myself to take advantage of the opportunities in front of me by volunteering and being involved around campus, a leader in DU, and a scholar in the classroom by holding myself to a high academic standard.

I support the DUEF to ensure the Fraternity is accessible to all who seek it and to help young men be committed to educational achievement. I am also thankful that my work in the Wisconsin's Bureau of Correctional Enterprises involves both The Development of Character and The Advancement of Justice. Our team develops opportunities for incarcerated men and women as they prepare to succeed while in correctional facilities and when they return to their families and communities."

- Wes Ray, Kansas State '94

In a time where we often focus on what divides us, I rely on Delta Upsilon's Four Founding Principles to help me find a basic understanding of humanity when interacting with colleagues, friends and strangers in my everyday life. I give to the DU Educational Foundation to help instill these values in others, and because I believe Justice remains our sure Foundation.

Another opportunity Delta Upsilon has given me to enhance my leadership abilities is the amazing alumni I have been mentored by. Specifically, Jeff Kreutz and Bruce McKinney have spent many hours advising my leadership and providing resources to improve my abilities in every area. Whether chapter involvement, DU conferences or alumni relationships, DU has provided ample opportunities to grow as a leader.

(Name in blue)

After growing up in a town of 1,000 people and traveling 2,000 miles to a college in a town of 50,000 people, DU quickly became my home away from home. The Fraternity has helped me succeed academically, allowed me to develop as a leader, and afforded me personal and professional relationships that I will always cherish. I am committed to staying involved as an alumnus by attending LI, giving back to my chapter and to the DUEF, and staying in contact with my brothers.

We all need help at some point, and I needed to find purpose in my life after tough years in school before college. My Delta Upsilon brothers helped me realize that I have leadership and organizational skills. The Fraternity helped me learn to take a single responsibility, conquer it, and then build upon it. Today, I am a successful father, husband and co-worker, which is why I continue to advocate for DU and the Four Founding Principles that define us.

From the moment the DU chapter was established at Boise State, I've been impressed by the character and commitment of the men. They hold themselves accountable to high standards and set themselves apart in their focus and leadership. An investment in the Delta Upsilon Educational Foundation is an investment in the lives of young men committed to leadership, scholarship and community.

- Leslie Webb, Vice President of Student Affairs & Enrollment Management, Boise State University

# LIFETIME GIVING

The Foundation is forever grateful for the DUs, parents and friends who provide gifts of time and treasurer throughout their lives. The more lifelong donors committed to investing in our *Building Better Men* mission, the greater our Fraternity and our world will be.

The donors recognized in this list are also on permanent display on the Lifetime Giving Wall at the International Headquarters. This display commemorates the cumulative impact of our most loyal and generous donors and reminds future generations of the loyal DUs who came before them.

"I am proud of my support of the DU Educational Foundation over the past 50 years. Delta Upsilon has provided me with a life-changing experience through undergraduate associations and lifelong friendships ever since. It is highly gratifying to see the tradition of developing new leaders continue from the Fraternity's efforts, and I'm glad to support the work DU continues to do."

On Aug. 2, 2019, Terry L. Bullock, *Kansas State* '61, passed away. Throughout his life, Brother Bullock made a profound impact on Delta Upsilon, the Kansas State Chapter and the state of Kansas. As a young alumnus, he began his DU alumni involvement serving as a chapter advisor and president of the Kansas State Chapter Alumni Board. He joined the International Fraternity Board of Directors in 1970, and over the ensuing 18 years—the last five as International Fraternity President—he became known for his passionate defense of Delta Upsilon's Four Founding Principles and developing "The DU Man: A Blueprint for Success." As a District Judge in the state of Kansas for more than 30 years, as well as a law professor, he continued his pursuit of The Advancement of Justice.

Last fiscal year, 15 gifts were made to the DU Educational Foundation in Brother Bullock's honor. Delta Upsilon will continue to honor and remember him for his leadership and dedication to the Fraternity and its ideals.

# OAK CIRCLE

Each year, DU undergraduates are encouraged to give back through the Oak Circle—the Foundation's undergraduate giving program. Hundreds of undergraduates join the Oak Circle each year with a gift of \$18.34 to the Oak Circle endowment, and the dollars raised are given directly back to students through scholarships to our award-winning educational programs.

## OAK CIRCLE UNDERGRADUATE GIVING COUNCIL

New to the Oak Circle in FY20 was the Oak Circle Undergraduate Giving Council. Giving Council members played a critical role influencing the strategy for the Oak Circle. Their efforts included helping decide the Oak Circle membership apparel item, unveiling the Oak Circle details at the Presidents Academy and Regional Leadership Academies, and rallying Oak Circle support among undergraduates at the chapter level. Thank you to all the members of the 2020 Giving Council.

## OAK CIRCLE GIFT

Every undergraduate who joins the Oak Circle Undergraduate Giving Club by May 1 annually will receive the membership apparel item for that year (unveiled at the Presidents Academy in January). The 2020 apparel item was a floral DU necktie!

# OUR CHAPTERS

Delta Upsilon is committed to the success of all chapters and offers resources to all members, officers and alumni advisors. These resources guide men in chapter operations, Loss Prevention and safety strategies, personal development, and more. We recognize that Delta Upsilon is only as strong as its parts, so we spend our time and energy to help make each chapter a success.

# CHAPTER SCORECARDS

At the end of each academic year, each DU chapter receives a scorecard of its vital stats in relation to the Fraternity's Men of Merit Chapter Standards Program. The scorecards on the pages that follow highlight some of the information shared. Chapters are encouraged to use these scorecards and the Men of Merit Chapter Standards to set goals for the coming year and ensure that they are operationally sound.

Due to the pandemic, several Standards within the Men of Merit Program were updated to account for the shortened in-person spring term. If comparing scorecards from 2019-2020 with the previous year, keep in mind that items such as GSI fundraising, service hours and program attendance may have been affected due to the pandemic. The Fraternity also lowered the amount of Chapter Excellence Plan (CEP) points available for the year to account for the abbreviated spring term. Thanks to advance planning and work, you will notice some chapters received greater than 100% of CEP points.

## CHAPTER SCORECARD NOTES

- 1) CEP stands for Chapter Excellence Plan.
- 2) LP stands for Loss Prevention.
- 3) "-" signifies information was not submitted to IHQ.
- 4) "N/A" for GPA and Campus Average signifies that the university does not collect this information or the information was not available at the time of submission.
- 5) Program attendance numbers include those who had already registered for a summer educational program prior to its cancellation due to the pandemic.
- 6) Associate chapters are assessed based on progress toward goals with the aim to be at or above campus averages at the time of chartering.

Please note that information listed reflects what was reported by Aug. 1, 2020. These stats reflect the 2019-2020 academic year.

The Bucknell Chapter celebrated its Reinstallation Ceremony on Sept. 26, 2020.

In 2020, the Georgia Tech Chapter was named a Sweepstakes Finalist for the first time. Its 70 members had an impressive 3.73 spring GPA, completed 8.8 service hours each, and raised more than \$1,000 for GSI. Over the past nine years, the chapter has raised more than \$175,000 for the St. Baldrick's Childhood Cancer Research Foundation.

The Georgia Tech Chapter also received the 2020 Innovative Member Development Award in recognition of its Mental Health and Wellbeing Committee that brings in speakers from across campus and the Atlanta community to talk about issues such as sexual assault, alcohol/drug abuse, suicide, diversity and inclusion, and more.

Illinois Chapter

The Illinois Chapter was named Delta Upsilon's 2020 Most Improved Chapter. During the 2019-2020 academic year, the chapter saw marked improvements in a number of areas. Academically, the chapter increased its GPA and had an impressive 3.59 spring average. After reporting no service hours or fundraising for the Global Service Initiative the year prior, last year, it averaged 10.9 service hours per man and raised \$350 for GSI. This chapter also dramatically increased its Chapter Excellence Plan completion percentage. The Illinois Alumni Chapter was also awarded the 2020 Outstanding Alumni Chapter Award, in large part to its increased support and involvement with the undergraduate chapter.

The Indiana Chapter set a new Global Service Initiative fundraising record within DU during the 2019-2020 academic year. The men raised an amazing \$28,600 for GSI thanks to in-person events in the fall and social media and letter campaigns in the spring. Due to the chapter's fundraising efforts, coupled with its success in recruitment, academics, operations and more, Indiana was named a Sweepstakes Finalist for the first time since 2002.

#### FINALISTS

Aaron Emalfarb, *Maryland '20*

Levi Latoz, *Carthage '20*

Nikkoh Mendoza, *Bradley '20*

Joe Stanton, *Iowa State '20*

Ahmed Semary, *Texas '20*, was named the 2020 Distinguished Undergraduate, the top honor bestowed upon an undergraduate member. This award recognizes a brother's accomplishments in his chapter, on campus and in the community throughout his time as an undergraduate.

Ahmed was a Founding Father of the Texas Chapter when it was re-established in 2016. During his time in DU, he served as Vice President of Membership Education and Chapter President. On campus, he lent his talents to the Leadership and Ethics Institute as its Recruitment and Team Relations Chair. He also served as an Undergraduate Research Assistant and member of the American Society of Mechanical Engineers and Rube Goldberg Team.

Post-graduation, Ahmed works for Dell as a CSG Advanced Quality Engineer.

"Without doubt, DU was the best experience I had in college," Ahmed said. "Not just did it connect me with likeminded chapter brothers and DUs across the world,

it gave me the opportunity to build a legacy at UT and put my time in something that I can be proud of even beyond my graduation. My involvement in the chapter taught me many tangible skills that made me into a more well rounded man.

"To me, DU means family. As an international student, DU offered me a home away from home and an environment and atmosphere built on merit, brotherhood and magnanimity. The relationships I've built are lifelong ones, and the contributions we've made as a chapter will be long lasting for undergrads to come."

## PRESIDENT'S AWARD: CHAPTER PRESIDENT OF THE YEAR

### WILL MISSERT, NORTH CAROLINA '21

The recipient of the 2020 President's Award has been a major force for change within his chapter. Will Missert, *North Carolina '21*, has helped his chapter make great strides in a number of areas, including chapter operations, chapter culture, communications with the Fraternity and campus staff, recruitment, community partnerships, philanthropy and Loss Prevention efforts. He handled it all with poise and thoughtfulness.

"Coming into this position, I wanted to do one thing: help my chapter become the best possible chapter it could be," Will said. "While we faced many challenges, my executive team and I pushed the chapter to become a better group of fraternity men."

"The biggest piece of advice for other Chapter Presidents is that you cannot do this job all by yourself. [My Executive Board] challenged and pushed me to be the best leader

possible, and I know that I would not have received this award if it were not for them."

# SUPPORTING OUR CHAPTERS

"I have seen and am convinced that DU leadership is using my contributions effectively through their educational programs and initiatives to actually develop better men"

- Ron Peyton, *Indiana '70*

**Andrew Schmidt, Oregon '21**, joined the Oak Circle with a gift of \$18.34 and led his chapter to win the McKeag Award for the highest percentage of membership participation in the Oak Circle.

**Andrew Martin, Washington State '05**, used his employers' matching gift to join the President's Club along with 115 other donors.

**Joshua Katz, Central Florida '97**, makes his monthly recurring gift to support the Annual Loyalty Fund and his chapter's CEA.

**Brother William Sigman, Iowa State '50**, joined the Heritage Circle to leave a legacy by including the Foundation in his estate plans. Brother Sigman is now a Lester Cox Benefactor, and his estate gift benefited both the Annual Loyalty Fund and the Iowa State Chapter Legacy Plan.

"The DU programming today helps put our values in action. By going to the Leadership Institute and Regional Leadership Academy, undergraduates have an opportunity to talk and work with men from other chapters—and this broadens their view and supports their experience of the Four Founding Principles. To this day, people tell me that DU has an authenticity they want to be part of. DU provides an opportunity for wisdom, guidance, encouragement, to dig deeper, to try harder, and put our values in action.

I don't know where I would be without DU, but I am a different person because of it. DU provided the fuel—through the Founding Principles, chapter retreats, and other programs—to develop values and incorporate them into my life."
