Theta Chi Fraternity Award Descriptions and Procedures

Introduction

Article VIII, Section 2 of *The Constitution & Bylaws of Theta Chi Fraternity* states:

“The rules and procedures for the Fraternity’s awards are set forth in a document entitled “Theta Chi Fraternity Award Descriptions and Procedures” which may not be modified or amended except by resolution adopted by the vote of at least six members of the Grand Chapter.”

Most of the awards require completion of a nomination or application form. The forms have instructions and more useful information about the award. These forms are available at www.thetachi.org or by contacting the International Headquarters.

Chapters are not restricted from creating their own awards for internal chapter use. Likewise, house corporations, alumni associations, and other recognized bodies of Theta Chi Fraternity may honor, recognize, and reward individuals or chapters with their own awards. However, any such award must be consistent with the ideals and highest standards of Theta Chi Fraternity.

AWARDS FOR COLLEGIATE CHAPTERS

The Howard R. Alter, Jr. Award for Chapter Excellence

Purpose: The most prestigious award presented to a chapter, The Howard R. Alter, Jr. Award for Chapter Excellence may be awarded annually to recognize overall excellence in chapter organization and operations for the most recent academic year. The award is not intended to honor a single best chapter, but rather those chapters in Theta Chi Fraternity that exemplify excellence across a broad spectrum.

Background: Howard Alter Jr., Omega/Pennsylvania State University 1941 served two terms on the Grand Chapter (1958-62, 1962-66), including two terms as National President (1962-64, 1964-66); he served as Executive Director of the Fraternity from 1968 to 1984. Brother Alter also served on the Foundation Chapter (1968-84), two terms on the National Board of Trustees (now the Norwich Housing Corporation) (1984-89, 1989-94), including one term as President (1992-93). He was the third Theta Chi to receive the Gold Medal from the North-American Interfraternity Conference, the highest award given by the NIC.

The Grand Chapter created the Howard R. Alter, Jr. Award for Chapter Excellence in 1984, upon the petition by several former field men (now called Field Executives) who worked for Brother Alter during his tenure as Executive Director.

Description of the Award: Chapters receiving the Howard R. Alter, Jr. Award for Chapter Excellence are given a large framed certificate bearing the image of Brother Alter. Additionally, a large plaque also bearing the image of Brother Alter is on permanent display at the International Headquarters; upon this plaque are engraved the names of those chapters that receive the award, along with the year of receipt.

Eligibility and Application Process: Chapters must submit an application to be considered for the award. The required application form with instructions and additional details is available at the Resource Center on myΘX or by calling the International Headquarters. Applications are reviewed by current and former field men, who select which chapters will receive the award. Any number of chapters may receive the award in a given year.

Presentation: The Howard R. Alter, Jr. Award for Chapter Excellence is presented at a time and in a manner directed by the Grand Chapter.

The Grand Chapter Scholarship Award

Purpose: The Grand Chapter Scholarship Award shall be presented annually to the active chapter of the Fraternity having the best scholastic record for the prior calendar year. The Grand Chapter Scholarship Award shall be represented by the Stanford Scholarship Trophy to honor those brothers from our Alpha Epsilon Chapter that generously donated this trophy to the Fraternity.

Background: In 1928 the Grand Chapter approved an annual award to recognize the chapter with the most outstanding academic record. The Alpha Epsilon Chapter at Stanford University presented the Grand Chapter with a large silver loving cup trophy to be used as the actual award; the chapter winning the award kept the trophy for one year. The original trophy has been retired and is on permanent display at the International Headquarters.

Description of the Award: The winning chapter symbolically is presented with the original Stanford Trophy as well as a framed certificate to be kept by the chapter.

Eligibility and Application Process: The International Headquarters collects chapter academic records directly from colleges and universities. A formula is utilized to calculate a score that normalizes the data and compares the chapter grade point average to the campus all men's grade point average. Chapters must be in good standing to be eligible to receive the award. The chapter with the best academic score for the prior calendar year will be presented with the award.

Presentation: The Grand Chapter Scholarship Award is presented at a time and in a manner directed by the Grand Chapter.

The Sidney Ann Gilpin Lewis Memorial Trophy

Purpose: The Sidney Ann Gilpin Lewis Memorial Trophy is presented annually to recognize excellence by chapters and individual members in exemplifying our motto by assisting others in need.

Background: James G. Lewis (Alpha Xi/Delaware 1912) served three terms on the Grand Chapter. During that time, his 10-year old daughter Sidney Ann contracted spinal meningitis. Desperate measures were deemed necessary to fight the disease, and Lewis twice gave blood for transfusions. When doctors refused to use his blood again, it was essential that others be found whose blood would match Sidney Ann's. Fellow Grand Chapter officer Dr. Robert L. Irish (Alpha/Norwich 1889) was in constant contact with the situation and informed the officers of Upsilon Chapter at New York University. The next day several of Upsilon's members arrived at the hospital offering to donate their blood. Two more transfusions were made, but tragically, despite their selfless efforts, Sidney Ann passed away.

In memory of his daughter, and to express his gratefulness to the Fraternity, Brother Lewis presented the Sidney Ann Gilpin Lewis Memorial Trophy to the Grand Chapter. While Lewis left it to the Grand Chapter to determine how the trophy would be used, it had traditionally been awarded to the chapter that had made the most progress during the previous year.

In June 23, 2008, the International Advisory Committee recommended that the Grand Chapter use the award for a purpose more fitting to the memory of Sidney Ann and Brother Lewis by recognizing chapters and/or individual brothers that/who exemplify our motto of An Assisting Hand, as demonstrated by Dr. Irish and Upsilon Chapter's desire to help Brother Lewis in his time of need.

Description of the Award: The original Sidney Ann Gilpin Lewis Memorial Trophy is an impressive silver trophy that remains on permanent display at the International Headquarters. It is symbolically presented each year when the award is given. The recipient of the award is also presented with an engraved plaque bearing their name, chapter, and year the award is presented.

Eligibility and Application Process: Chapters and collegiate or alumnus members of the Fraternity may be nominated by anyone for this award. A nomination form with instructions and additional details is available at the Resource Center on myΘX or by calling the International Headquarters. Any number of chapters or members may receive the award in a given year. The Lewis Award Committee may also make nominations at their discretion and will determine which chapter(s) or member(s) will receive the award each year. There is no minimum or maximum number of Lewis Awards given each year, but it should be noted that the intent of this award is to recognize only those chapters and members who have truly and selflessly exemplified our motto of An Assisting Hand.

Presentation: Sidney Ann Gilpin Lewis Memorial Trophy is presented at a time and in a manner directed by the Grand Chapter.

The Chapter Achievement Award

Purpose: Chapter Achievement Award shall be awarded annually to recognize those chapters that demonstrate distinction in chapter organization and operations for the most recent academic year. It is the second highest award that may be given to a chapter on an annual basis and any number of chapters may receive the award in a given year.

Background: The Chapter Achievement Award was created by the Grand Chapter in 1991 to recognize and encourage those chapters that do not receive the Howard R. Alter Jr. Award for Chapter Excellence, but nonetheless demonstrate substantial success, progress, and improvement in chapter organization and operations during the preceding academic year.

Description of the Award: The Chapter Achievement Award is a framed certificate bearing the chapter name and the date that the award is presented.

Eligibility and Application Process: Any chapter applying for the Howard R. Alter Jr. Award for Chapter Excellence is automatically considered for this award. A committee decides upon the recipient chapter(s). Any number of chapters may receive the award in a given year.

The required application with instructions and additional details is available at the Resource Center on myΘX or by calling the International Headquarters. The Chief Executive Officer and other Directors of the International Headquarters will determine which applicants merit the award.

Presentation: The Chapter Excellence Award is presented at a time and in a manner directed by the Grand Chapter.

The Fleetham Convention Attendance Trophy

Purpose: The Fleetham Convention Attendance Trophy recognizes the chapter, colony or interest group that has the best attendance at the International Convention.

Background: The Fleetham Convention Attendance Trophy, commonly referred to as the “Man-Mile Trophy” was first awarded on August 29, 1931, at the 75th Anniversary Convention held at Norwich University. The trophy that was originally used for the award was held by the winning chapter until the next National Convention. The trophy was renamed to the Fleetham Convention Attendance Trophy by the Grand Chapter on December 10, 2016.

Description of the Award: The original Convention Attendance Trophy is symbolically presented to the chapter receiving the award. A framed certificate is also presented to the winning chapter.

Eligibility and Application Process: The winner of the award is determined by multiplying the number of attendees officially registered for the International Convention by the number of miles from the chapter to the event site. The International Headquarters staff computes the score after the close of official on-site registration at the event.

Presentation: The award will be presented during the International Convention.

The James M. Holland Award

Purpose: The James M. Holland Award is presented to the chapter that initiates the most men in the previous academic year.

Background: James M. Holland, Alpha/Norwich University 1883 was one of only fifteen students and the sole collegiate member of Theta Chi Fraternity returning to the University in the fall of 1881. With the assistance of six local alumni, he initiated Henry B. Hersey and Philip S. Randall, thus preserving the continuity of the Fraternity.

The James M. Holland Award was created by the Grand Chapter March 20, 1993, to honor Brother Holland's accomplishments.

Description of the Award: The James M. Holland Award is a framed certificate bearing the portrait of Brother Holland as well as the name of the winning chapter.

The Henry B. Hersey Significant Increase in Membership Award

Hersey is credited with helping to rebuild membership in the Alpha Chapter over the next four years through aggressive recruitment.

The Significant Increase in Membership Award was created by the Grand Chapter March 20, 1993, and was renamed the Henry B. Hersey Significant Increase in Membership Award on June 23, 2008, to honor Brother Hersey's accomplishments.

The David L. Westol Sacred Purpose Award

Purpose: Presented annually, this award goes to the chapter that most exemplifies the spirit of our Sacred Purpose movement. A first runner-up will be considered based on merit.

Background: Launched in the fall of 2013, the Sacred Purpose movement is the modern expression of our motto—the Assisting Hand. The Sacred Purpose movement offers programmatic support at the chapter and international levels that concentrates specifically on any health and safety related topics. The movement called for the creation of new leadership positions that help us better care for and understand one another.

The award is named in honor of David L. Westol, Beta Zeta/Michigan State 1973, whose volunteer and professional career have been devoted to the health, safety, and protection of fraternity and sorority members. After graduating from Michigan State in 1973, Dave worked for his alma mater as Assistant Director of Student Activities and Advisor to Fraternities. He was admitted to the Michigan Bar in November 1979 and became an assistant prosecutor for the Office of the Prosecuting Attorney in Kalamazoo County, MI.

From 1975-1980, Westol served as a Regional Counselor for Theta Chi before being elected to the Grand Chapter as International Vice President in 1980. He remained in that role until completing his maximum second term in 1988. In December of that year, he was named the Fraternity's Executive Director and held that position for 18 years. Today, he is the founder, owner and CEO of Limberlost Consulting.

Westol's interfraternal career is equally impressive. He was elected to the board of directors of the Fraternal Information and Programming Group (FIPG) in 1993 and has served continuously on the board since that time. He has also served FIPG in the roles of Director of Policy Interpretation and administrator since 1996. In July 1998, he was elected to the Fraternity Executives Association (FEA)

board of directors and served as president from 2002-2003. He has also served on the board of directors for HazingPrevention.org and on the Association of Fraternal Leadership and Values (AFLV).

Dave has become a ubiquitous figure at fraternity and sorority leadership development events. He has performed his signature anti-hazing presentation "Hazing on Trial" over 1,800 times since 1981 and has spoken on more than 350 campuses and at over 200 Greek leadership events. Dave has served as a faculty member for AFLV, the Northeast Greek Leadership Association, the Southeast Interfraternity Conference and the Fraternal Risk Management Trust, (FRMT) Inc. From its first session in the early 1990s through 2010, he was a faculty member for "Risk Management on the Road," an annual traveling consultants' workshop for women's national fraternities and sororities.

In 2012, Dave was named a recipient of the North American Interfraternity Conference's Gold Medal, the most prestigious honor in the interfraternal world. Brother Westol is one of only four Theta Chi members to have received the Gold Medal.

He was elected to the Grand Chapter in 1925, serving as National Chaplain, but resigned for health reasons the following year. Nominations are presented to a secret committee of five members who consider nominations and select recipients of the award. The members of the secret committee are appointed by the International President. Eligibility and Application Process: Nominations for this award can be made by any past or current member of the Grand Chapter, Norwich Housing Corporation, The Foundation Chapter, or the Chief Executive Officer. Nominations are submitted to the Chief Executive Officer and forwarded to the International Advisory Committee, which decides if the nominee(s) warrants the award.

Background: Authorized and established by the Grand Chapter on January 20, 1946, the Alumni Award was renamed the George T. Kilavos Alumni Award on June 23, 2008, in memory of George T. Kilavos, Delta Xi/Valparaiso University 1955.
