

2025 CONSTITUENT SURVEY RESULTS

STATE SENATOR MICHAEL CRIDER

The following charts represent responses to the multiple-choice questions offered on my survey. Answers to open-ended questions are not included here.

1. Indiana helps pay for the 911 emergency response system through a \$1 fee on each phone line. Would you support a law that adds an additional \$1 fee to help pay for the 988 suicide and crisis hotline, which provides emergency help to people experiencing a mental health crisis?

Yes
69%

No
31%

2. Fuel taxes have historically been the main way Indiana pays for road construction, but fuel taxes are no longer providing enough money to fully fund our road construction needs. Please rank the following alternative funding options, with **1 being your most preferred and 4 being your least preferred**.

ROAD FUNDING OPTIONS

HIGHEST PRIORITY

- 1 Tax electric vehicles based on the amount of electricity they use
- 2 Increase annual registration fees at the BMV
- 3 Increase fuel taxes
- 4 Tolling

LOWEST PRIORITY

3. Across the country, we are seeing cases where dangerous criminal suspects are released on bail, only to commit more crimes while they await trial. Indiana's Constitution currently requires criminal suspects to be offered bail with very limited exceptions. Would you **support** or **oppose** amending the state Constitution so that courts can hold suspects without bail if releasing them from jail would pose a substantial danger to the public?

Support
83%

Oppose
17%

Results calculated using survey responses from Senate District 28.
