

Theta Chi Operation Military Red Chapter Challenge Week

Goal: To host a weeklong schedule of simple events in which all chapters host a series of similar events to raise donations for the USO.

When: To be held the week of Veterans Day in the Fall semester.

- Monday, November 6th to Saturday, November 18th, 2023.
- Chapters are still free to conduct standing annual events for added USO donations.

Why: Provides a standardized set of events which all chapters are capable of hosting and creates competition to see who executes the best.

- Allows all chapters to compete and raise money for the USO regardless of chapter or school size.

Reward: A USO Flag will be awarded to the top three chapters for donations and funds raised to present at your future USO events.
