

The Roosevelt Series

The Roosevelt remains one of Rochester Homes' most popular floor plans due to its versatility, openness, and privacy. The exterior is enhanced with bump-outs and a gable porch. The welcoming foyer comes with a coat closet, and the galley-style kitchen serves as the center of the home with an oversized island. The home's small office will serve all of your work-from-home needs.

A Fan FAVORITE

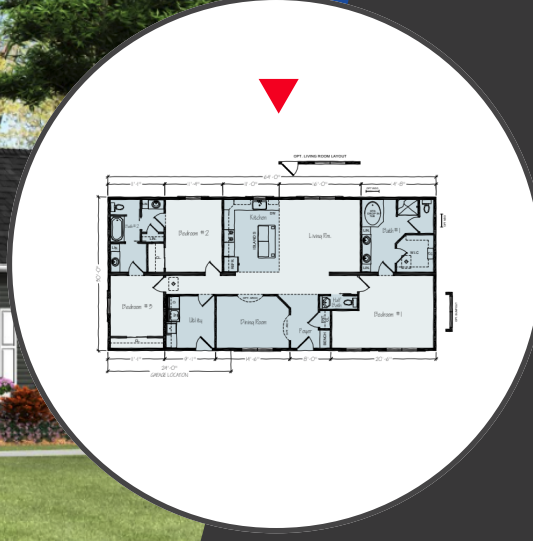

The Heritage Series

The first thing that strikes you as you walk about this ranch-style home is its openness. The plan features an eat-in island in the kitchen and three bedrooms with two baths, as well as the comfort of split bedrooms. The utility room and non-master bath are right off the garage entrance for convenience and easy use.

The Avery Series

This floor plan is a contemporary, Cape-Cod-style farmhouse home with three bedrooms and two bathrooms. This home boasts an open concept kitchen, living room, and dining area, with plenty of light and space inside for various activities. Residents can enjoy a luxurious master bath with a rainfall shower and even a walk-in closet.

The Jasper Series

This plan has three bathrooms and a formal dining room separate from the kitchen and living room. It has a spacious master bedroom that features a lovely nook that you can use as a private seating area, office space, and so much more. You also get a Jack-and-Jill style bathroom for secondary bedrooms and a half-bath next to the foyer and living room.

The Ashby Series

This series is a 3-bedroom and 3-bathroom plan with a flexible layout for either a ranch-style home or a practical narrow lot plan. Those who may be on a budget will be pleased to know that there isn't wasted space in the bathrooms. It has focused living space on one end of the home while the bedrooms reside on the other end.
