Silver Tree Society

"My involvement with JCPL goes back more than ten years. My husband Kiyoki and I had just moved to Franklin. I was looking for a place to study English and found the Adult Learning Center at the Library.

Now, as the Circulation Manager at the Trafalgar Branch Library, I realize the Library is the heart of our community. By joining the Silver Tree Society, I help support the future of the Library. You don't need to be wealthy to leave a meaningful legacy. A little help goes a long way. I encourage you to consider joining me to support the Library." - Kayou Li
