JCPL Presents Explore Summer School Competition Trophy
Middle School Awarded for Completing Library Summer Learning Program

FRANKLIN, Ind. – This summer Johnson County Public Library partnered with schools in our library district to combat summer learning loss. JCPL hosted a friendly competition between schools to see how many students could complete our Explore Summer Program.

The numbers are in! Center Grove Middle School North was the middle and high school winner! CGMSN had the highest percentage of students complete the Explore Summer Program with 4.34%.

This year the library teamed up with Endress+Hauser to award the school (one in each category) with the highest percentage of students who completed the Explore Summer reading goal of 10 hours this summer. The winning school in each category received the coveted JCPL trophy as well as a \$500 STEAM package courtesy of Endress+Hauser!

A Cricut maker and supplies were presented to the school courtesy of Endress+Hauser and will be placed in the school's media center.

Center Grove Middle School Central and Indian Creek Middle were top finishers for the middle school and high school competition. For more information, please contact Sarah Taylor at 317-738-9835 or staylor@jcplin.org.
