

INTERMEDIATE

September 2020

Our students and staff have done AMAZING throughout the month of August with all of the changes to our 'normal' routines due to COVID-19 precautions. I am very proud of our students and consistently reminded that they are **resilient, adaptable, understanding, and strong!** We are so excited to extend a warm welcome to the new staff members at ICIS: Ashley Burkman (Assistant), Ashley Landrum (School Psychologist), Jessica Shurr (Speech Services), Serena Tillman (Assistant), and Baylee Wilson (3rd Grade).

A major focus with Chromebooks and technology this year will continue to be Digital Citizenship. Students will complete the Digital Citizenship curriculum during the month of September guided by Miss King. Our students are always encouraged to stop and THINK with five powerful questions before posting in the digital world Is it true? ... Is it helpful? ... Is it inspiring? ... Is it necessary? ... Is it kind? Ultimately, ICIS students demonstrate digital citizenship with respect and responsibility.

Shopping for the annual ICIS Book Fair takes place September 7th-20th for family and friends of ICIS students. Please know that the ICIS Book Fair will be entirely online this year. Also, purchased books will be mailed directly home. Please use this link: <https://www.scholastic.com/bf/indiancreekintermediatesch>

We would like to thank our entire ICIS school family for your flexibility and patience in learning the routines for traffic patterns at school! Safety for everyone is our number one priority. Remember to use turn signals to communicate with other drivers and/or school staff, slow down to appropriate speeds around the schools, and always watch for students getting in and out of cars. In the afternoon car rider lines, only one lane will be dismissed at a time. Please pull up as much as possible to help us keep the main road clear of cars waiting to turn in. Also, please do not block the intersection for ICES traffic.

Wishing you well ~ Andrea L. Perry, Principal aperry@nhj.k12.in.us
