

INDIANA ACADEMY OF FAMILY PHYSICIANS

2020 IAFFP Summer CME Series

Your Academy offered a free webinar series in the summer of 2020 that is now available on-demand for enduring CME credit. The following topics are now archived:

- Essential Evidence: Parsing the Data on COVID-19
- Henry Barry, MD; Mark Ebell, MD; John Hickner, MD
- 8/19/20 - [Part 1](#)
- 9/2/20 - [Part 2](#)
For more up to date information, you may wish to listen to the Essential Evidence podcast free of charge using your preferred podcasting service. Search for "Primary Care Update."
- 8/26/20 - [Guidelines for Adolescent Depression in Primary Care](#) - Rachel Yoder, MD
- 9/16/20 - [PrEP For HIV Prevention](#) - Juan Carlos Venis, MD, MPH
- 9/23/20 - [Medical Malpractice Basics](#) - Jason Marker, MD, MPA, FAAFP
- 9/30/20 - [Aging: What It Is And How To Slow It Down](#) - Jason Marker, MD, MPA, FAAFP
- 10/7/20 - [Catching Up On Routine Vaccinations: Reversing The Downward Trend](#) - Patrick Glew
- 10/21/20 - [A Practical Approach to the Diagnosis and Treatment of Seizures](#) - William Tortoriello, MD
- 10/28/20 - [Automation, Innovation, and the Future of Medicine](#) - Paul Dow
