GPL and JCPL Introduce My Library Rewards Earn Rewards When You Use Your Library Card

JOHNSON COUNTY, Ind. – The most valuable card in your wallet is your library card! Greenwood Public Library and Johnson County Public Library are going to help you put that library card to work just in time for “Library Card Sign Up Month” this September.

Beginning Sept. 1 patrons will earn points toward rewards at local and national vendors simply by checking out materials at the library.

Earn Points - Patrons will automatically earn points for each item checked out at the library – there are no extra steps. And the best part is that no one starts from scratch!

Find Discounts - Visit pageafterpage.org, greenwoodlibrary.us, mylibraryrewards.com or download the My Library Rewards app to find participating businesses and to see offers.

Get Rewards - Get your point balance and redeem points to enjoy discounts and freebies at local businesses.

Participating businesses include Baskin Robbins, Chicago’s Pizza, Chick-fil-A, Madison Street Salvage, Middle Davids Artisan Candles and Toodleydoo Toys, so far. Stay tuned for a complete list of businesses.

Local businesses should contact My Library Rewards at mylibraryrewards.com/home/MerchantContact to participate in the program.
