INTERNATIONAL FRATERNITY

QUESTIONS TO ASK PNMS DURING RECRUITMENT

- How do you like to spend your free time?
- What are things in your life that you appreciate?
- DU prides itself on its Four Founding Principles. What are your top three personal values?
- What are you looking for in a fraternity, more specifically, in DU?
- How would you define brotherhood?
- Where are some cool places you have traveled to, whether it be in the U.S. or internationally?
- What/who got you interested in DU?
- What do you hope to gain from being involved with DU?
- Why did you decide to come to this college?
- What are you hoping to get involved in as a college student (other clubs/organizations)?
- Would you be interested in holding a leadership position within DU?
- What are some of your interests or hobbies?
- Were any of your family members part of Greek organizations?
- How do you think DU could better support you during your time as a member/student?
- What are some of your goals during your time as a college student and after you graduate?
- What are some things that motivate you to work hard to reach your goals?
- What were some of your extracurricular activities in high school?
- Do you have any general questions or concerns about DU or our chapter/colony? (great opportunity to address PNM concerns and provide additional information if needed)
- Do you have any questions on general chapter/colony operations (i.e., weekly chapter/colony meetings, time commitments, etc.)?

****Please note that this list is merely a recommendation and the chapter/colony should ask other questions it thinks are good or helpful. Remember to ask open ended questions that will make PNMs open up about things related to occupation/school, family, interest, activities, etc.***
