### **NHJ CURRENTLY-ENROLLED, NON-RESIDENT TRANSFER STUDENT RENEWAL REQUEST FORM**

As the parent/guardian of an NHJ Indian Creek Student, who lives outside the district, we must ask you to complete the following information. Since the many changes in legislation, we are required to have you verify your student's return as a non-resident transfer student. Also, we must inform you that you may be required to pay a transfer fee if the state does not pay the total cost to educate your child. The fee would be the difference between state funding and our cost to educate your child.

#### **PARENT/GUARDIAN CHECKLIST:**

Submit all required documentation listed below to the office of the school you wish to attend OR the Superintendent's Office:

- A completed and signed Application for Transfer of Currently Enrolled Non-Resident Student(s); (one per family for currently enrolled students).

Pursuant to State law, the Board may deny a student's application to transfer to the Corporation, discontinue enrollment of a transfer student currently attending, rescind approval of a student approved to attend in a subsequent year, or establish terms or conditions for enrollment or for continued enrollment in a subsequent school year, if:

- A. during the preceding twelve (12) months, the student has been suspended or expelled for:
  - 1. ten (10) or more school days;
  - 2. possession of a firearm, deadly weapon, or a destructive device;
  - 3. causing physical injury to a student, school employee or visitor to the school; or
  - 4. a violation of the Corporation's drug or alcohol rules.
  
- B. the student has had a history of unexcused absences, and the Board believes that, based upon the location of the student's residence, attendance would be a problem for the student if the student is enrolled in the Corporation.

For purposes of computing the number of days of suspension of the student requesting enrollment, student discipline received from a teacher pursuant to I.C. 20-33-8-25(b)(7) and I.C. 20-26-11-32(j) shall be included in the calculation of the number of school days that a student has been suspended.
