Summer is here and so is our Tails and Tales: Summer Reading Program! This summer, we'll be partnering with The Animal Protection League. Join us to learn how to make upcycled items for the sweet adoptable furry friends at The Animal Protection League. Teens in grades 6-12, pick up a kit at the circulation desk. When you're done with your project, return it to the library so the items can be donated to our furry friends looking for their furever homes!
