Dear Diane,

Envoy, Inc. would like to extend its gratitude to Pauly Jail for its contributions to the construction of the Hamilton County Juvenile Services Center. As with any correctional facility, a special attention to detail and high level of performance is absolutely necessary to ensure the final product meets the needs of the Owner. Pauly Jail not only met these high standards, but went well beyond.

The success of any project is dependent on the quality of the team of contractors. With Pauly Jail on board, there was little doubt that this project would be completed to the full satisfaction of the Owner. I would recommend Pauly Jail to anyone undertaking a project of this nature. Their product and staff are first class and always a pleasure to work with.

If you would like to know more about the excellent work Pauly Jail performed on the Hamilton County Juvenile Services Center, please do not hesitate to contact me.

Sincerely,

John E. Barbee  
**Vice President**
