A MESSAGE FROM THE JCPL FOUNDATION PRESIDENT

For the first time in the history of the Library, the JCPL Foundation launched a campaign to fund innovation for the new Clark Pleasant Branch called Enhancing the Story. Concentrating on six special project areas, the JCPL Foundation raised over \$270,000 in 2021 to support the services offered in the special project areas of the new construction. JCPL Foundation will help JCPL launch these six special areas: a Robotics Learning Lab, an Early Childhood Learning Area, a Teen Gaming Center, an Adult Learning Center, Public Art projects, and a Nature Trail and Community Garden.

We found unique ways to fundraise - from a bake sale at our Friends of JCPL's book sale, Giving Tuesday, a Read-a-Thon for students, and naming opportunities at the new branch, to partnering with local businesses. In addition to our Enhancing the Story special projects campaign for the new Clark Pleasant Branch, the Foundation and Friends continued to support unique learning experiences that patrons at JCPL appreciate and love. Here are some of the programs your donations and Friends' book sale proceeds helped fund in 2021:

- Explore Summer learning programs for all ages
- Library materials (print and digital books)
- New York Times best-selling author events with Axton Betz-Hamilton, Shelley Shepard Gray, and Leah Johnson
- Programming support at all JCPL locations
- Celebrations for National Library Week, Library Card Sign-up Month, and Children's Book Week
- Staff training

We know one of the reasons why people support the JCPL Foundation is that they know what a big difference a public library can make in someone's life. Thank you for helping to make 2021 an incredible year for the Foundation!

Sincerely,

Paige Banos
Johnson County Public Library Foundation, President
