

1 **RESOLUTION #23-02**

2 **ENTITLED:** Payment for Supervising Mid-level Providers in Employed Settings

3 **SUBMITTED BY:** David Schultz, MD, FAAFP

4

5 WHEREAS, family physicians are the leaders of their primary care teams, consisting of mid-level
6 providers, and

7

8 WHEREAS, supervision of such individuals requires medical expertise, additional work requirements
9 and so forth, and

10

11 WHEREAS, such collaborative agreements are often unpaid but assume medical legal risks, therefore
12 be it,

13

14 RESOLVED, that the Indiana Academy of Family Physicians (IAFP) petition state legislators and the
15 Indiana State Medical Association (ISMA) to require that health care systems and physicians who are
16 employed must be allowed to share in the revenue from the supervised mid-level provider.
