

Making Simulation Possible

AN INTERACTIVE WORKSHOP

I hear and I forget. I see
and I remember. I do
and I understand.

Confucius

Simulation Methodologies

- Task Training or Skills Check Offs
- Staff Discussions or Interviews
- Patient Encounters or Physical Exams
- Certification Courses
- Standardized Patients
- Human Patient Simulators
- Environmental Alteration
- Virtual Reality
- Computer Generated

Benefits

vs

Barriers

- **Safe environment, low risk**
- **Opportunities for repetition**
- **Increase confidence**
- **Ability to ask questions and obtain feedback**
- **Develop autonomy in role/discipline**
- **Interprofessional learning opportunities**

- **Cost**
- **Time**
- **Resources**
- **Support**

What are the Risks of Inadequate Education? Consequences?

Simulation Resources

Handouts Included in Folder

- International Nursing Association for Clinical Simulation and Learning (INACSL)
- Society for Simulation in Healthcare (SSH)
- Healthy Simulation
- Simulation Innovation Resource Center (SIRC)
- HomeGrown Simulation Solutions
- Sim Ghosts
- Association of Standardized Patient Educators (ASPE)
- Center for Health Sciences Interprofessional Education Research and Practice – University of Washington
- List of Indiana Simulation Centers
- RHIC Simulation Planning Form
- RHIC Standardized Patient Form
- RHIC Debriefing Guidelines

University of Washington – Center for Health Sciences Interprofessional Education Research and Practice

OBJECTIVES

- IDENTIFY AT LEAST 3 BENEFITS OF SIMULATION IN YOUR INDIVIDUAL FACILITY.
- DETERMINE A PLAN TO OVERCOME AT LEAST ONE IDENTIFIED OBSTACLE OF PERFORMING SIMULATION.
- COMPLETE SIM PLANNING FORMS SPECIFIC TO YOUR NEEDS.

**“You don’t make mistakes.
Mistakes make you. Mistakes
make you smarter. They make
you stronger, and they make
you more self-reliant.”**

The Last Word (2017) directed by Mark Wellington

“We don’t rise to the level of our expectations, we fall to the level of our training.”

Greek Poet Archilochus; c. 680 – c. 645 BC

**“Mistakes are puzzles to be solved,
not crimes to be punished.”**

“I hear and I forget. I see and I remember. I do and I understand.”

Confucius
