

Welcome to the Trafalgar Branch of the Johnson County Public Library.

Social Story for Adults

A library is a friendly place for all visitors.
This social story is written to help adults prepare
for their visit to the Johnson County Public Library.

This is the entrance to my library.

When I walk into the library, I can open the doors myself or push the blue button and the doors will open automatically.

This is the lobby.

If I need to use the restroom, it is on the left side of the lobby. The lights come on automatically when I enter.

**If I am going to a program, I can
enter the Community Room here, too.**

It is on the left side of the lobby.

**When I walk through the lobby,
I will see the Welcome Desk.**

This is where I will go to check out items I want to take home with me. This is also where I ask questions.
The library staff like to answer questions.

The Children's Department is on the left side of the library.

It has books, movies and toys for children.
If I have questions about anything in the
Children's Department, I can ask a librarian.

The Adult Department is on the right side of the library.

It has books, computers, CDs, movies, newspapers and magazines. If I have questions about anything in the Adult Department, I can ask a librarian.

There are computers in the Adult Department.

I can use a computer to work, check email
or access the internet.

The library has a printer, copier, scanner and fax machine that I can use.

If I have questions or need help, I can ask a staff member.

**When I am ready to leave,
I will go to the Welcome Desk
to check out my items.**

A librarian will scan my library card and items,
or I can use the self-checkout machine and
scan my library card and my items.

This is the book return at my library.

This is where I return my materials at the library. When it is time to return my materials, I will put them carefully in the return slot at the Welcome Desk. There are return slots outside, too. They are near the front doors and I can return my items here on days when I'm not going inside.

The Booktique is by the Welcome Desk.

I can buy books only on these shelves for \$2.
If I need help paying for a book, I'll ask a staff member
at the Welcome Desk.
