HOW TO USE THIS SCALE:

- (1) Determine the number of members in a Family Unit.
- (2) Determine ALL income supporting the family + ALL sources of income (i.e., paystubs, alimony, social security, retirement, etc.)
- (3) Find the number of family members in Column 1 ("Size of Family Unit").
- (4) Determine the range in which the patient's "Family Income" falls.
- (5) The column in which the patient's "Family Income" falls indicates the percentage of Sliding Fee Scale discount.
