RE: Letter of Recommendation

To Whom It May Concern:

It is with pleasure to write a letter of recommendation for Pauly Jail Building Company; business associates with whom we have conducted business with for over 7 years. I would like to take this opportunity to express my appreciation and satisfaction at the professionalism, expertise, and attention to detail that Pauly Jail exemplifies.

Accurate Controls has been a leading integrator in Automated Security Systems for the Corrections industry and other related markets for over 25 years. We have worked closely with Pauly Jail on many projects and they not only met, but exceeded our expectations through every aspect of the design and construction process.

Pauly Jail 's knowledge, experience, and forward thinking makes them one of the most innovative detention equipment contractors in the United States. They strive for excellence in delivering quality products and services along with a sincere drive for client satisfaction. We are proud to call them partners and look forward to having more opportunities to work along side them in our future endeavors.

Sincerely,

TJ Rogers, President  
Accurate Controls, Inc.
