

GLATA Influential Individuals Project

Featuring: Phil Voorhis, MEd, ATC

Highlights:

- Mr. Voorhis earned his bachelor's in Chemistry from Miami (Ohio) University and his Master's in Exercise Physiology from Northern Illinois University
- Former Illinois Athletic Trainers Association (IATA) President and Regional Representative to IATA's Board of Directors
- Plays an integral role in campus safety, including ensuring defibrillators are on site at all major athletic venues

His Impact on the Athletic Training Profession:

Mr. Voorhis has spent 22 years as the Head Athletic Trainer at Northern Illinois University where his passion for the profession has clearly shined through. He has shared his expertise through speaking at several GLATA and NATA conventions, and has been presented with numerous awards including the Clifford Danielson award. In his spare time, he enjoys spending time with his wife and three daughters. Thank you for everything you do for the profession, Mr. Voorhis!
