Grilling Etiquette Education, April 10th, 2016

Presenter: Steve Powell

Number of brothers in attendance: 40

During this event, members were given a lesson on simple grilling procedures by one of our members, Steve Powell and our house cook, chef Johnny. We were shown the differences in grilling on a gas grill as opposed to a charcoal grill, and other meat preparing techniques. Afterwards we grilled our own food and watched the Warriors vs. Spurs game.

College Life transitions: May 1st, 2016

Presenter: Kyle Faulker and Eric Bruning

Number of brothers in attendance: 102

During our Chapter dinner, two of our very own senior members, Kyle Faulkner and Eric Bruning, gave our chapter a presentation about the process of moving out of the fraternity house and having your own apartment, as well as the strategies and important information that we needed to know when living on our own.

Academic Success and LinkedIn Seminar, February 11th, 2016

Presenter: Jessica Albright

Number of brothers in attendance: 88

Representatives from the MU Career Center came to our Fraternity house in order to present to us an academic presentation titled, "Developing your Online Image". The main objective of the presentation was to educate us on how to use LinkedIn, Facebook, and other social media sites in order to better prepare us for internships as well as life after college, when applying for jobs.

Northwestern Mutual Internships Overview: October 18, 2015

Presenter: Shallie Noecker and Daryn

Number of brothers in attendance: 90

This event was held during one of our dinners and representatives of Northwestern Mutual came to discuss with us the numerous opportunities for internships and jobs they currently have open. They discussed their interviewing process and the types of careers it could lead to in the future. Being one of the top-10 ranked internships in the country it drew interest from many of our members.

IFC involvement Opportunities: October 10th, 2016

Presenters: Ben Baker, Ryan O'Connor, Nick Eovaldi, and Chris Pierro

Number of brothers in attendance: 74

Members of the IFC executive board, including IFC president Ben Baker gave a presentation on some important IFC opportunities outside of just being involved in Delt. These include being Rho Gammas, applying for the executive board for IFC, as well as being a peer educator helping the Vice President of Programming. Every year we have several Deltas on the Executive Board for IFC so this helped provide insight on what members of exec board do on a daily basis.

Meet and Greet and Leadership Speech: January 20th, 2016

Presenter: Eric Greitens

Number of brothers in attendance: 63

Number of Sorority Members in attendance: 54

Number of Non-Greek members in attendance: 19

In this ROAD event, we paired up with the **Sigma Kappa Sorority** and **the College of Republicans** to co-host a meet and greet with candidate for governor and ex-Navy Seal/NY Times best-selling author/Golden Gloves boxer/ Fortune Magazine's 50 Most Influential world leaders Eric Greitens. We all got a chance to converse with him after he gave a short speech about how his leadership experiences affected him, which helped guide him to what he has become today.
