

## Link your library and school Beanstack profiles!

Make sure all your logged reading counts in both places. That means more challenges, badges, and achievements—with less work!

### On the web...

1

Sign into your library Beanstack account.

A light blue rounded rectangle containing a dark blue button with the text "SIGN IN" in white capital letters. The button is centered and surrounded by dashed lines indicating its position.

2

Find the link profile button.

A white rounded rectangle with a yellow border. In the top right corner, there is a gear icon and a red circle with the letters "SA". Below this, a yellow arrow points to a yellow button with the text "Link Profile" in white.

3

Select your school and log in.

A white rounded rectangle with a purple border. At the top, it says "Select a School" with a small upward arrow. Below this, there are two options: "Alexandria Public School" (highlighted in purple) and "Feline Public School".

4

Your profiles are linked!

A colorful banner for a reading challenge. It features a clock face on the right. The text reads "READ 30 MINUTES A DAY" in large white letters, with "Reading Challenge" in smaller text below it. At the bottom, it says "Read 30 Minutes" and "Ends Oct 30th".

## In the mobile app...

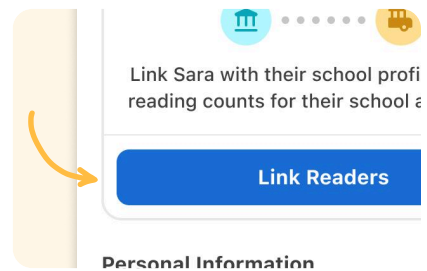

1

Sign into your Beanstack account on the mobile app.

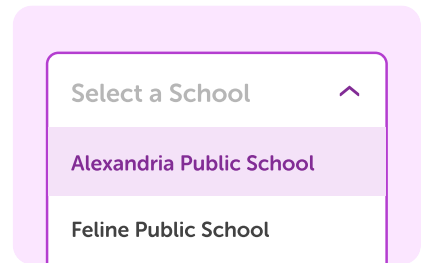

2

Find the link profile button.

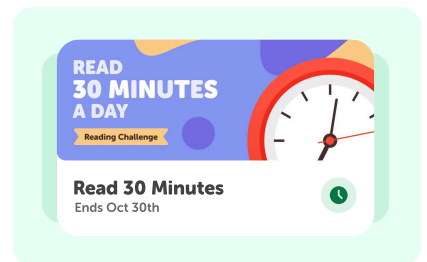

3

Select your school and log in.

4

Your profiles are linked!
