

**Thank you for making the Delt Foundation a priority in 2018!**

This year, we saw a 300% increase in requests from young Delts for funding. We met this need because of generous donors like you. To once again meet this need in 2019 we need your renewed support. Will you answer the call by making a year-end gift to the Delta Tau Delta Educational Foundation?

**Please consider contributing to the Delt Foundation this holiday season** to ensure these opportunities continue to be available for young Delts.

**Please review the information below for ways to make a year-end gift.**
