

IdentaBrew® TEA WRAPS

FEATURES AND BENEFITS:

- ENGINEERED TO FIT TO YOUR SPECIFIC MODEL DISPENSER
- EFFECTIVE POINT-OF-SALE BRANDING
- EASY TO APPLY
- NO MAKE-READY REQUIREMENTS
- RESISTANT TO TEARING AND CRACKING
- DURABLE HOOK & LOOP CLOSURE SYSTEM

Every IdentaBrew TeaWrap is engineered to fit your manufacturer's dispensers like a glove, with the same industry-standard properties as our popular CoffeeCoats for airpots and thermal servers. All wraps are printed with vivid, durable inks on premium polycarbonate film, which is both stain and chemical resistant.

No time to design? No problem. TeaWraps and Tea Decals are available off-the-shelf in a variety of IdentaBrew's unique generic designs, or build your own with our new EZ Wrap solutions!
